1 Name of regulations

These regulations are the *Plant Breeder's Rights Regulations 1994*.

3 Interpretation

- (1) In these Regulations, unless the contrary intention appears:

Act means the *Plant Breeder's Rights Act 1994*.

authorised testing establishment means an establishment authorised under regulation 3A.

- (2) In Schedule 1, a reference to a section or subsection, is a reference to that section or subsection of the Act.

3AA Extension of Act to Norfolk Island

For the purposes of section 9B of the Act, this regulation prescribes that the Act extends to Norfolk Island.

3A Authorised testing establishment

- (1) For the purposes of conducting a test growing of a plant variety under section 37 of the Act, the Registrar may authorise, in writing, an establishment to conduct the test growing.
- (2) An establishment may be authorised only if the Registrar is satisfied that it is capable of conducting a test growing of a variety in a manner appropriate to give effect to the obligations of Australia under the Convention.
- (3) The Registrar must notify the operator of the establishment of:
- (a) the Registrar's decision whether to authorise the establishment; and
 - (b) if the decision is a refusal—the reasons for that decision.
- (4) Subject to the *Administrative Appeals Tribunal Act 1975*, application may be made to the Administrative Appeals Tribunal for review of a decision of the Registrar to refuse to authorise an establishment.

3BA Essential derivation for non-PBR protected varieties—publication of notification of application in Journal

For the purposes of subsection 41B(1) of the Act, a notification in the *Plant Varieties Journal* of an application under section 41A of the Act for a declaration of essential derivation must include the following information about the applicant and the application:

- (a) a description of the initial variety and the second variety;
- (b) details, as stated in the application, of:

- (i) the eligible person (within the meaning of section 41A of the Act) making the application; and
- (ii) any person (or persons) the applicant reasonably believes to be the breeder of the second variety;
- (c) any other information about those plant varieties, or the application, that the Registrar considers appropriate to publish, other than information that the Registrar is satisfied is commercial-in-confidence;
- (d) details of the opportunity for a person (an *interested person*) claiming to be the breeder of the second variety, or to have another interest in the second variety, to be heard in relation to the application under section 41C of the Act, including the requirement under subsection 41C(2) of the Act to give the Registrar an address for service;
- (e) a statement to the effect that the Registrar may draw an inference in deciding the application that is unfavourable to an interested person's interest if:
 - (i) the interested person does not provide an address for service, within the hearing period, under subsection 41C(2) of the Act; or
 - (ii) the interested person declines the opportunity to be heard under subsection 41C(6) of the Act.

- (a) a request to the interested person to give written submissions in relation to the application to the Registrar within a period, stated in the notification, of no less than 10 business days after the notification is given;
- (b) a statement that, on request to the Registrar, a hearing may be convened in relation to the application, beginning at a place, at a time and on a date determined by the Registrar by a further notification (a *hearing notice*) to the person no less than 10 business days after the hearing notice is given;
- (c) a statement (a *hearing notice*) that a hearing will be convened by the Registrar in relation to the application beginning at a notified time and place, and on a notified date no less than 10 business days after the notification is given.

Note: A hearing notice mentioned in paragraph (b) or (c) may include requirements for the interested person in relation to the hearing (see paragraph (5)(d) and subregulation (6)).

Hearings

- (4) The Registrar may convene a hearing in relation to the application as mentioned in paragraph (3)(b) or (c).
- (5) For the purposes of the hearing:

 - (i) perform an act;
 - (ii) file a document;
 - (iii) produce evidence; and
 - (e) the interested person must comply with any reasonable directions of the Registrar in relation to practice and procedure during the hearing.
