- 1. Every payment shall indicate the name of the person making the payment and shall contain the necessary information to enable the Office to establish immediately the purpose of the payment. In particular, the following information shall be provided:
- (a) when the registration fee is paid, the purpose of the payment, namely 'registration fee' and, where appropriate, the reference provided by the applicant in the application for the registration of a Community design;
- (b) when the publication fee is paid, the purpose of the payment, namely 'publication fee' and, where appropriate, the reference provided by the applicant in the application for the registration of a Community design;

If the person does not comply with the request in due time, the payment shall be considered not to have been made. The amount which has been paid shall be refunded.

#### Article 7

### Deemed date of payment

- 1. The date on which any payment shall be considered to have been made to the Office shall be as follows:
- (a) in the cases referred to in Article 5(1)(a), the date on which the amount of the payment is actually entered in a bank account held by the Office;
- (b) in the case referred to in Article 5(1)(b), the date of the receipt of the cheque at the Office, provided that the cheque is met;
- (c) in the cases referred to in Article 5(1)(c), the date of receipt of the amount of the cash payment.
- 2. Where the President allows, in accordance with the provisions of Article 5(2), other methods of paying fees than those set out in Article 5(1), he shall also lay down the date on which such payments shall be considered to have been made.
- 3. Where, pursuant to paragraphs 1 and 2, payment of a fee is not considered to have been made until after the expiry of the period in which it was due, it shall be considered that this period has been observed if evidence is provided to the Office that the person who made the payment:
- (a) in a Member State, within the period within which the payment should have been made:
  - (i) effected the payment through a banking establishment; or
  - (ii) duly gave an order to a banking establishment to transfer the amount of the payment; or

no surcharge is payable if a condition according to subparagraph a has been fulfilled not later than 10 days before the expiry of the period for payment.

4. The Office may request the person who made the payment to produce evidence as to the date on which a condition according to paragraph 3(a) was fulfilled and, where required, to pay the surcharge referred to in paragraph 3(b), within a period to be specified by it. If the person fails to comply with this request or if the evidence is insufficient, or if the required surcharge is not paid in due time, the period for payment shall be considered not to have been observed.

# Article 8

#### Insufficiency of the amount paid

1. A time limit for payment shall, in principle, be considered to have been observed only if the full amount of the fee has been paid in due time. If the fee is not paid in full, the amount which has been paid shall be refunded after the period for payment has expired.

2. The Office may, however, in so far as this is possible within the time remaining before the end of the period, give the person making the payment the opportunity to pay the amount lacking or, where this is considered justified, forego any small amounts lacking without prejudice to the rights of the person making the payment.

#### Article 9

### Refund of insignificant amounts

1. Where an excessive sum is paid to cover a fee or a charge, the excess shall not be refunded if the amount is insignificant and the party concerned has not expressly requested a refund.
