Entitlement to registration

10.—

(1) Unless a direction under paragraph (3) below in relation to him is in force, a person who qualifies for registration under rule 9 above shall be entitled to have his name entered in the register on production to the Registrar of evidence that he qualifies for registration under that rule and on the payment of the fee prescribed by regulations under rule 20 below.

(2) The Registrar may, for the purpose of satisfying himself that a person has completed the requisite number of years of practice, require that person to submit to him a statutory declaration attesting to that fact and may require such further particulars of that practice as he may consider necessary.

³1988 c.48; see the Register of Patent Agents Rules 1990 (S.I. 1990/1457).

(3) The Secretary of State may, upon being satisfied after due inquiry in accordance with rule 15 below that a person (who would otherwise be entitled to be registered) has been guilty of misconduct, direct that the name of that person shall not be registered, and upon such direction the Registrar shall not, except with the prior consent of the Secretary of State, register the name of that person.

Amendment of the register

11. A registered trade mark agent shall give notice to the Registrar of any change in the particulars relating to him entered in the register and the Registrar shall, on payment of the fee (if any) prescribed by regulations made under rule 20 below, amend the register accordingly.

Erasure of registration for failure to pay fee

12.—

(1) If any registered trade mark agent fails to pay any annual practice fee that may be prescribed by regulations made under rule 20 below within one month from the day on which it becomes payable, the Registrar shall send to him at his business address (as shown in the register) a notice requiring him to pay the fee on or before a day specified in the notice, and if that person fails to pay the fee on or before that date the Registrar may erase his name from the register.

(2) The name of a person erased from the register under this rule may be restored to it by direction of the Institute on payment by him of the fee or fees due from him, together with such further sum not exceeding the amount prescribed for the annual practice fee as the Institute may in each particular case direct.

Correction of entries in register

13.—

(1) The Registrar may, upon being satisfied in accordance with paragraph (2) below that any entry in the register has been made in error or that any entry is incorrect, erase or correct the same.

(2) No erasure or correction of any entry in the Register shall be made under paragraph (1) above unless the Registrar has first served notice of the proposed erasure or correction on the person appearing to him to be affected, has afforded that person the opportunity to make written representations regarding the same and has taken into account any such representations.

Erasure of registration after due inquiry into misconduct

14. Where the Secretary of State is satisfied, after due inquiry in accordance with rule 15 below, that a person has been guilty of misconduct, that is to say, conduct discreditable to a registered trade mark agent, he may at his discretion, having regard to the circumstances of the misconduct, direct that the name of that person be erased from the register, and he may further direct that the name shall remain erased during such period as he may specify; and upon a direction under this rule the Registrar shall erase the name and particulars of that person from the register accordingly.

Inquiry by Secretary of State

15.—

(1) Where it appears to the Secretary of State under rule 10(3) or rule 14 above that a person may have been guilty of misconduct he shall serve on that person (hereinafter referred to as the person affected) a notice—

- (a) informing him of the grounds on which it so appears to the Secretary of State and the substance of any allegations of misconduct made against him, and

(b) inviting him to submit to the Secretary of State, within such period (being not less than 21 days) as may be specified in the notice, his representations in writing and requiring him to serve notice, if he wishes, of his intention to make oral representations.

(2) A copy of the notice served on the person affected under paragraph (1) above and a copy of any written representations submitted by him to the Secretary of State shall be served by the Secretary of State on the Institute.

(3) Where the person affected has served notice under paragraph (1)(b) above of his intentions to make oral representations, the Secretary of State shall give him not less than 21 days notice, or such shorter notice as the person affected may request or consent to accept, of the date, time and place at which his representations will be heard.

(4) If the Secretary of State considers that he should proceed with his inquiry but for a reason which differs or on grounds which differ from those set out in the notice served under paragraph (1) above he shall give a further notice under that paragraph.

Hearing of representations

16.—

(1) At the hearing of oral representations held pursuant to rule 15(3) above the Secretary of State shall, at the request of the person affected, permit any other person (in addition to the person affected) to make representations on his behalf or to give evidence or to introduce documents for him.

(2) The Secretary of State shall not refuse to admit evidence solely on the grounds that it would not be admissible in a court of law.

(3) The hearing may be adjourned at the discretion of the Secretary of State and if adjourned he shall give the person affected reasonable notice of the date, time and place at which the hearing is to be resumed.

(4) The Secretary of State shall inform the Institute of the date, time and place appointed for any hearing and the Institute shall be entitled to be represented at the hearing and to make submissions touching on the matters in issue.

Decision

17. The Secretary of State shall, in deciding whether to issue a direction, take into account any written or oral representations made in accordance with rules 15 and 16 above and shall—

- (a) if he decides not to issue a direction, give notice of that decision to the person affected, the Institute and, where the decision relates to any allegations of misconduct made by any person against the person affected, to that person (if known), but nothing in this rule shall require the Secretary of State to state the reasons for that decision;
- (b) if he decides to issue a direction, give notice of his decision, the terms thereof and his reasons for the decision to the person affected, the Institute and, where the decision relates to any allegations of misconduct made by any person against the person affected, to that person (if known).

Restoration of name to register

18.—

(1) On an application made to him by a person whose name has been erased from the register under rule 14 above, the Secretary of State may, if he thinks fit, direct that the name of that person shall be restored to the register, and he may further direct that such restoration shall be made either without fee or on payment of such fee as he may fix not exceeding the fee prescribed by regulations made under rule 20 below for the registration of a name.

(2) The Registrar shall, upon a direction for the restoration of the name of a person under this rule, restore the name and particulars of that person to the register and shall, in the case of a person whose name has been erased for a specified period and in respect of whom no direction has been issued under this rule, restore his name and particulars upon the expiration of that period and upon payment of the fee prescribed by regulations made under rule 20 below for the registration of a name.

Appeal to Comptroller from decision of the Institute or Registrar

19.—

(1) A person aggrieved by any decision of the Institute or the Registrar under these Rules may appeal to the Comptroller by serving on the Comptroller, within one month from the date of the decision, a notice of appeal, stating the grounds of appeal with a statement of his case in support thereof. A copy of the notice with a copy of the statement of case shall, at the same time, be served by that person (the appellant) on the Institute or the Registrar, as appropriate.

(2) The Comptroller shall, on receipt of the notice of appeal, give such directions as he thinks fit for the purpose of hearing the appeal and shall give the appellant and the Institute or the Registrar, as the case may be, not less than 14 days notice, or such shorter notice as the appellant and the Institute or Registrar may consent to accept, of the date, time and place appointed for the hearing of the appeal.

(3) At the hearing the Comptroller shall, at the request of any party, permit any other person (in addition to that party) to appear on his behalf.

(4) The Comptroller shall give his decision on the appeal in writing with a statement of his reasons and shall serve a copy thereof on the appellant and the Institute or Registrar.

(5) The Comptroller's decision on the appeal shall be final and for the purposes of giving effect to it he may give such directions to the Institute or Registrar as he thinks fit.

Fees

20.—

(1) The Institute may, by regulations made by it with the approval of the Comptroller, prescribe the fees to be paid by—

- (a) every candidate for any examinations (or part or parts thereof) held in accordance with regulations made under rule 8 above,
- (b) every person for the registration of his name,
- (c) every registered trade mark agent as an annual practice fee,
- (d) a registered trade mark agent requesting an amendment of the register under rule 11 above,

and any such regulations may provide for the remission or refund of any fees in such circumstances as may be prescribed thereunder.

(2) When prescribing any fees for the purposes of paragraph (1)(a) above the Institute shall, as far as practicable, secure that the income therefrom does not exceed the expenditure properly incurred in administering any examinations, taking one year with another.

Directions by Comptroller

21. The Comptroller may from time to time give general directions to the Institute as to any matters relating to the register and in respect of such matters as in his opinion will be conducive to the better regulation of any examinations held by the Institute.

Report of the Institute

22. The Institute shall before 30th April in each year send to the Comptroller a report stating—

- (a) the number of applications for registration which were made in the preceding year and the number of registrations effected in that year;

- (b) the examinations which were held in that year and the results thereof;
- (c) the amount of the fees received by the Institute in that year; and
- (d) that rule 20(2) above has been complied with and showing, by reference to income and expenditure, its compliance with that rule;

and shall include in the report a statement on such other matters in relation to the provisions of these Rules (including any regulations made by the Institute pursuant thereto) as the Comptroller may from time to time require.

EXPLANATORY NOTE

(This note is not part of the Rules)

These Rules regulate the registration of persons who act as agents for others for the purpose of applying for or obtaining the registration of trade marks.

Rules 8, 9 and 10 make provision for qualifying examinations and qualifications for, and entitlement to, registration. Rule 8 empowers the Institute of Trade Mark Agents to make regulations for the qualifying examinations appropriate for registration and to have the entire management and control of such examinations.

Rules 14 to 17 relate to proceedings by the Secretary of State when inquiring into the misconduct of a person applying for registration or of a registered trade mark agent and for the erasure from the register of the name of a person on the ground of misconduct. A person whose name has been erased from the register may apply to the Secretary of State for its restoration (rule 18), and a person aggrieved by a decision of the Institute or the Registrar under these Rules may appeal to the Comptroller (rule 19).

Rule 20 confers on the Institute power to make regulations with respect to the payment of examination, registration and annual practice fees. The Institute is required to secure, as far as practicable, that the income from examinations fees does not exceed the expenditure incurred in administering the examinations, taking one year with another (rule 20(2)).
