Brief description of the notified legal text	
<p>This instrument amends statutory instruments (SIs) 2019/269 and 2019/638. Those instruments corrected deficiencies in, and failures of, retained European Union (EU) law to operate effectively as a result of the United Kingdom leaving the European Union. However, since those instruments were made, a change in practice at the European Union Intellectual Property Office has resulted in an unintended consequence affecting a very small number of UK trade marks and trade mark applications. It is necessary to address that issue in legislation.</p>
