

Government Decree No. 158/2000 (IX. 13.)

on the Determination of the Range of Devices Used for the Purposes of Reprography

By virtue of the authorization under Article 112 (1) of Act No. LXXVI of 1999 on Copyright, the Government, taking into account the opinion of the representative organizations concerned, orders as follows:

Art. 1. The range of devices used for the purposes of reprography is indicated in the *Annex* to this Decree.

Art. 2. This Decree shall enter into force on the day of its promulgation.

Annex to Decree No. 158/2000 (IX.13.) Korm.

Devices for the purposes of reprography [based on the National Classification of Products (BTO) published in the communication No. 9006/1995 (SK 4.) KSH of the Hungarian Central Statistical Office and on the numbers of customs tariffs according to the Combined Nomenclature]:

BTO Product number tariff	Denomination	Corresponding number of customs
---------------------------------	--------------	------------------------------------
