- (b) limit or control production, markets, technical development or investment,
- (c) share markets or sources of supply,
- (d) apply dissimilar conditions to equivalent transactions with other trading parties thereby placing them at a competitive disadvantage,
- (e) make the conclusion of contracts subject to acceptance by the other parties of supplementary obligations which by their nature or according to commercial usage have no connection with the subject of such contracts.

(2) An agreement, decision or concerted practice shall not be prohibited under *subsection (1)* if it complies with the conditions referred to in *subsection (5)* or falls within a category of agreements, decisions, or concerted practices the subject of a declaration for the time being in force under *subsection (3)*.

(3) The Authority may declare in writing that in its opinion a specified category of agreements, decisions or concerted practices complies with the conditions referred to in *subsection (5)*; such a declaration may be revoked by the Authority if it becomes of the opinion that the category no longer complies with those conditions.

(4) The Authority shall publish, in such manner as it thinks fit, notice of the making of a declaration under *subsection (3)*, and of any revocation by it of such a declaration.

(5) The conditions mentioned in *subsections (2) and (3)* are that the agreement, decision or concerted practice or category of agreement, decision or concerted practice, having regard to all relevant market conditions, contributes to improving the production or distribution of goods or provision of services or to promoting technical or economic progress, while allowing consumers a fair share of the resulting benefit and does not—

- (a) impose on the undertakings concerned terms which are not indispensable to the attainment of those objectives,
- (b) afford undertakings the possibility of eliminating competition in respect of a substantial part of the products or services in question.

(6) The prohibition in *subsection (1)* shall not prevent the court, in exercising any jurisdiction conferred on it by this Act concerning an agreement, decision or concerted practice which contravenes that prohibition and which creates or, but for this Act, would have created legal relations between the parties thereto, from applying, where appropriate, any relevant rules of law as to the severance of those terms of that agreement, decision or concerted practice which contravene that prohibition from those which do not.

(7) In respect of an agreement, decision or concerted practice such as is referred to in *subsection (6)* a court of competent jurisdiction may make such order as to recovery, restitution or otherwise between the parties to such agreement, decision or concerted practice as may in all the circumstances seem just, having regard in particular to any consideration or benefit given or received by such parties on foot thereof.

(8) The putting into effect of a merger or acquisition in accordance with the provisions of *Part 3* of this Act, together with any arrangements constituting restrictions which are directly related and necessary to the implementation of the merger or acquisition and are referred to in the notification of the merger or acquisition under *subsection (1) or (3) of section 18*, shall not be prohibited under *subsection (1)*.

(9) For the avoidance of doubt, references in this Part of this Act to the parties to an agreement, decision or concerted practice of a kind referred to in *subsection (1)* include references to one or more of the parties to such an agreement, decision or concerted practice.

- (b) limit output or sales, or

(3) In proceedings for an offence under *subsection (1)* in which it is alleged that an agreement, decision or concerted practice contravened the prohibition in *section 4(1)*, it shall be a good defence to prove that the agreement, decision or concerted practice in question did not contravene that prohibition by virtue of *section 4(2)*.

(7) In this section “competing undertakings” means undertakings that provide or are capable of providing goods or services to the same applicable market and, for the purposes of this definition, “applicable market” means a market comprising the provision of goods or services that are regarded by those to whom they are provided as interchangeable with, or substitutable for, each other by reason of the goods’ or services’ characteristics, prices and intended use or purpose.

(7) Where a person is proceeded against as aforesaid for such an offence and it is proved that, at the material time, he or she was a director of the undertaking concerned or a person employed by it whose duties included making decisions that, to a significant extent, could have affected the management of the undertaking, or a person who purported to act in any such capacity, it shall be presumed, until the contrary is proved, that that person consented to the doing of the acts by the undertaking which constituted the commission by it of the offence concerned under *section 6* or *7*.

- (b) evidence may, with the leave of the court, be given of any matter which, if that person had been called as a witness, could have been put to him or her in cross-examination as relevant to his or her credibility but of which evidence could not be adduced by the cross-examining party, and
- (c) evidence tending to prove that that person, whether before or after making the statement, made (whether orally or not) a statement which is inconsistent with it shall, if not already admissible by virtue of any rule of law or other enactment, be admissible for the purpose of showing that he or she has contradicted himself or herself.

(6) Nothing in this section shall prejudice the admissibility in any proceedings under this Act of any document, as evidence of any matters stated in it, that is so admissible by virtue of any rule of law or other enactment.

14.—(1) Any person who is aggrieved in consequence of any agreement, decision, concerted practice or abuse which is prohibited under *section 4* or *5* shall have a right of action under this subsection for relief against either or both of the following, namely—

PART 3

MERGERS AND ACQUISITIONS

16.—(1) For the purposes of this Act, a merger or acquisition occurs if— Mergers and acquisitions for the purposes of Act.

- (b) one or more individuals or other undertakings who or which control one or more undertakings acquire direct or indirect control of the whole or part of one or more other undertakings, or

(2) For the purposes of this Act, control, in relation to an undertaking, shall be regarded as existing if, by reason of securities, contracts or any other means, or any combination of securities, contracts or other means, decisive influence is capable of being exercised with regard to the activities of the undertaking and, in particular, by—

- (a) ownership of, or the right to use all or part of, the assets of an undertaking, or
- (b) rights or contracts which enable decisive influence to be exercised with regard to the composition, voting or decisions of the organs of an undertaking.

(3) For the purposes of this Act, control is acquired by an individual or other undertaking if he or she or it—

- (a) becomes holder of the rights or contracts, or entitled to use the other means, referred to in *subsection (2)*, or
- (b) although not becoming such a holder or entitled to use those other means, acquires the power to exercise the rights derived therefrom.

(4) The creation of a joint venture to perform, on an indefinite basis, all the functions of an autonomous economic entity shall constitute a merger falling within *subsection (1)(b)*.

Pt.3 S.16

(5) In determining whether influence of the kind referred to in *subsection (2)* is capable of being exercised regard shall be had to all the circumstances of the matter and not solely to the legal effect of any instrument, deed, transfer, assignment or other act done or made.

(6) For the purposes of this Act, a merger or acquisition shall not be deemed to occur if—

- (a) the person acquiring control is a receiver or liquidator acting as such or is an underwriter or jobber acting as such, or
- (b) all of the undertakings involved in the merger or acquisition are, directly or indirectly, under the control of the same undertaking, or

(7) The undertaking mentioned in *subsection (6)(d)* is an undertaking the normal activities of which include the carrying out of transactions and dealings in securities for its own account or for the account of others.

(8) The circumstances mentioned in *subsection (6)(d)* are that the control concerned is constituted by the undertaking's holding, on a temporary basis, securities acquired in another undertaking and any exercise by the undertaking of voting rights in respect of those securities, whilst that control subsists, is for the purpose of arranging for the disposal, within the specified period, of all or part of the other undertaking or its assets or securities and not for the purpose of determining the manner in which any activities of the other undertaking, being activities that could affect competition in markets for goods or services in the State, are carried on.

(9) In *subsection (8)* “specified period” means—

- (a) the period of 1 year from the date on which control of the other undertaking was acquired, or
- (b) if in a particular case the undertaking shows that it is not reasonably possible to effect the disposal concerned within the period referred to in *paragraph (a)*, within such longer period as the Authority determines and specifies with respect to that case.

each of the undertakings involved in the merger or acquisition shall notify the Authority in writing of the proposal to put the merger or acquisition into effect, and provide full details thereof, within 1 month after the conclusion of the agreement or the making of the public bid.

(2) For the purpose of *subsection (1)*—

(a) “turnover” does not include any payment in respect of value-added tax on sales or the provision of services or in respect of duty of excise,

(b) subject to *paragraph (c)* an undertaking shall not be deemed to be involved in a merger or acquisition by virtue only of its being the vendor of any securities or other property involved in the merger or acquisition, and

(c) in relation to a merger or acquisition that will occur by reason of the acquisition concerned being an acquisition referred to in *section 16(1)(c)*—

(i) *subparagraphs (i) and (iii) of paragraph (a) of subsection (1)*, in their application to the second-mentioned undertaking in *section 16(1)(c)*, shall apply as if the references in them to the world-wide turnover and turnover in the State were, in relation to that undertaking, references, respectively, to the world-wide turnover and turnover in the State generated from the assets of that undertaking that are the subject of the acquisition mentioned in *section 16(1)(c)*, and

(ii) notwithstanding *paragraph (b)*, that second-mentioned undertaking shall, for the purposes of *paragraph (a) or (b) of subsection (1)* but not so as to place on it an obligation to notify the Authority of the proposal to put the merger or acquisition into effect, be deemed to be involved in the merger or acquisition.

(3) If—

(a) 2 or more undertakings agree to a merger or acquisition, or

(b) a merger or acquisition will occur if a public bid that is made is accepted,

being in either case a merger or acquisition to which *subsection (1)* does not apply, any of the undertakings which have agreed to or are involved in the merger or acquisition may notify the Authority in writing of the proposal to put the merger or acquisition into effect,

and provide full details thereof, within 1 month after the conclusion of the agreement or the making of the public bid.

(4) Nothing in this section or any other provision of this Act prejudices the operation of Council Regulation (EEC) No. 4064/89 on the control of concentrations between undertakings.

(5) Where he or she is of opinion that the exigencies of the common good so warrant, the Minister may, after consultation with the Authority, by order specify a class or classes of merger or acquisition for the purposes of *subsection (1)(b)*.

(6) The Minister may by order amend or revoke an order under *subsection (5)* or a previous order under this subsection.

(7) Every order under this section shall have effect on and from the date on which it is made and shall be laid before each House of the Oireachtas as soon as may be after it is made; if a resolution confirming the order is not passed by each such House within the next 21 days after that House has sat after the order is laid before it, the order shall lapse, but without prejudice to the validity of anything previously done thereunder.

(8) A notification in accordance with this section shall be accompanied by such fee as may be prescribed and different fees may be prescribed for different classes of notification; if the notification is not accompanied by that fee the notification shall be invalid.

(9) Where there is a contravention of *subsection (1)* or *section 20(2)* the person in control of an undertaking which has failed to notify the Authority within the specified period or failed to supply the information required within the period specified by the Authority, as the case may be, shall be guilty of an offence and shall, subject to *subsection (10)*, be liable—

(a) on summary conviction, to a fine not exceeding €3,000,

(b) on conviction on indictment, to a fine not exceeding €250,000.

(10) *Subsection (9)* operates so that if the contravention concerned continues one or more days after the date of its first occurrence, the person referred to in that subsection is guilty of a separate offence under that subsection for each day that the contravention occurs; but in respect of the second or subsequent offence of which he or she is guilty by reason of that continued contravention, *subsection (9)* shall have effect as if—

(a) in *paragraph (a)*, “€300” were substituted for “€3,000”,

(b) in *paragraph (b)*, “€25,000” were substituted for “€250,000”.

(11) For the purposes of *subsection (9)* the person in control of an undertaking is—

(b) in the case of a partnership, each partner who knowingly and wilfully authorises or permits the contravention,

- (c) in the case of any other form of undertaking, any individual in control of that undertaking who knowingly and wilfully authorises or permits the contravention. Pr.3 S.18

(12) A notification for the purposes of *subsection (1)* or *(3)* shall not be valid where any information provided or statement made under *subsection (1)* or *(3)* or *section 20(2)* is false or misleading in a material respect, and any determination under this Part made on foot of such notification is void.

(13) The transmission to the Authority by the Commission of a copy of a notification made to the Commission under Council Regulation (EEC) No. 4064/89 on the control of concentrations between undertakings shall constitute a notification under *subsection (1)* in relation to the merger or acquisition concerned.

(14) Irrespective of the date on which the Commission transmits a copy of the notification referred to in *subsection (13)*, the date of receipt by the Authority of the Commission's decision under Council Regulation No. 4064/89 in relation to the merger or acquisition, the subject of the notification, shall be deemed to be the date of the notification for the purposes of this Act.

19.—(1) A merger or acquisition to which *paragraph (a)* or *(b)* of *section 18(1)* applies, or which is referred to in *subsection (3)* of *section 18* and has been notified to the Authority in accordance with that subsection, shall not be put into effect until—

- (d) subject to *subsection (5)*, 4 months after the appropriate date have elapsed without the Authority having made a determination under *section 22* in relation to the merger or acquisition,

whichever first occurs.

(2) Any such merger or acquisition which purports to be put into effect, where that putting into effect contravenes *subsection (1)*, is void.

(3) Notwithstanding *subsection (1)(a)*, the determination referred to in that provision shall not operate to permit the merger or acquisition concerned to be put into effect if the merger or acquisition is not put into effect before the expiry of the period of 12 months after the date on which the determination is made.

(4) Notwithstanding *subsection (1)(c)*, the failure by the Authority to inform the undertakings concerned of the matter referred to in that provision shall not operate to permit the merger or acquisition concerned to be put into effect if the merger or acquisition is not put

into effect before the expiry of the period of 13 months after the appropriate date.

(5) Notwithstanding *subsection (1)(d)*, the absence of a determination by the Authority in the circumstances referred to in that provision shall not operate to permit the merger or acquisition concerned to be put into effect if the merger or acquisition is not put into effect before the expiry of the period of 16 months after the appropriate date.

(6) In this section “appropriate date” means—

(a) unless *paragraph (b)* applies, the date of receipt by the Authority of the notification of the merger or acquisition concerned under *section 18*,

(b) if the Authority has, under *section 20(2)*, made, within 1 month from the date of receipt by it of the notification of the merger or acquisition concerned under *section 18*, a requirement or requirements of one or more of the undertakings concerned—

(iii) in case 2 or more requirements are made but one or more but not all of them are complied with, the later or latest of the following dates, namely the dates provided by applying—

(I) *subparagraph (i)* to the requirement or requirements complied with, and

(II) *subparagraph (ii)* to the requirement or requirements not complied with.

(7) The reference in the definition of “appropriate date” in *subsection (6)* to the period specified in a requirement is a reference to the period specified in the requirement as being the period within which the information concerned shall be supplied.

(8) For the purpose of the reference in *subsection (6)*, and in any other provision of this Act, to the date on which the Authority receives a notification under *section 18*, if a single notification is not made by all the undertakings concerned, the said reference shall be construed as a reference to the later or latest of the dates on which a notification of the merger or acquisition concerned under *section 18* is received by the Authority.

(9) *Subsection (8)* is without prejudice to *section 18(14)*.

20.—(1) In respect of a notification received by it, the Authority—

(2) Where the Authority is of the opinion that, in order to consider for the purposes of this Part a merger or acquisition, it requires further information it may, by notice in writing served on the undertaking, require any one or more of the undertakings concerned to supply to it within a specified period specified information, and an undertaking of whom such a requirement is made shall comply with it.

(3) In the course of the Authority's activities under *subsection (1)(b)*, any of the undertakings involved in the merger or acquisition concerned may submit to the Authority proposals of the kind mentioned in *subsection (4)* with a view to the proposals becoming binding on it or them if the Authority takes the proposals into account and states in writing that the proposals form the basis or part of the basis of its determination under *section 21* or *22* in relation to the merger or acquisition.

(4) The proposals referred to in *subsection (3)* are proposals with regard to the manner in which the merger or acquisition may be put into effect or to the taking, in relation to the merger or acquisition, of any other measures referred to in *subsection (1)(b)*.

(2) Having considered a notification made to it, the Authority may decide that it shall carry out an investigation (in this section referred to as a “full investigation”) in relation to the merger or acquisition concerned.

(3) On completion of a full investigation in relation to the merger or acquisition concerned, the Authority shall make whichever of the following determinations it considers appropriate, namely that the merger or acquisition—

(a) may be put into effect,

(b) may not be put into effect, or

(c) may be put into effect subject to conditions specified by it being complied with,

on the ground that the result of the merger or acquisition will or will not, as the case may be, be to substantially lessen competition in markets for goods or services in the State or, as appropriate, will not be to substantially lessen such competition if conditions so specified are complied with.

(9) The following provisions shall have effect on account of the additional procedures provided by the foregoing provisions in relation to media mergers:
