Annex 2

Questionnaire

Sincerely _____

In accordance with the Regulations about selecting the best inventions of the Kyrgyz Republic, approved by order of the Chairman of Kyrgyzpatent of _____ and to identify the best inventions of the Kyrgyz Republic State Fund IP is conducting a survey authors or owners of the patent for the inclusion of their inventions in the database of the best inventions.

Patent№ _____

The main objective of the survey - to provide enhanced data about the invention, which are not included in the description of the application for an invention.

These are the following questions:

- readiness of the invention to use?

Yes

No

- is under construction?

Yes

No

- the stage of R & D?

Yes

- No • performed (done) experienced a job?

Yes

No

- other type of application?

Yes

No

- if patent owner (the applicant) to patent his invention abroad?

Yes

No

• whether the invention in the production?

Yes

No

• if the rights transferred for a patent?

Yes

No

• if license sold for a patent?

Yes

No

• whether the invention was demonstrated in the exhibitions, shows and fairs in Kyrgyzstan?

Yes

No

• whether the invention was demonstrated in the exhibitions, shows and fairs abroad?

Yes

No

• publication in the scientific journal "Bulletin of Kyrgyzpatent: intellectual property and innovation" of the best inventions, as well as in other publications?

(please specify publication)

• placement of perspective inventions in the Internet on the site of Kyrgyzpatent?

(name)

• proposals for participation in the ongoing the patent owner in the Kyrgyz Republic and abroad International Invention, new equipment and technology, exhibitions and fairs?

(please supply)

- the necessary information advertising, reflecting the area of practical application development, technical and economic effect achieved when using it.

(specify details)

After reception from you answer to above questions, the State Fund prepares the information to the Commission, which determines the best inventions of the Kyrgyz Republic.
