

LAW OF THE KYRGYZ REPUBLIC

Bishkek, from May 3, 2018 №45

On Amendments to the Law of the Kyrgyz Republic "On the Legal Protection of Programs for Electronic Computers and Databases"

Article 1

Amend the Law of the Kyrgyz Republic "On the legal protection of software for electronic computers and databases" (Vedomosti Zhogorku Kenesh of the Kyrgyz Republic, 1998, No. 4, article 129) the following changes:

1) Article 12-1 shall be amended as follows:

"Article 12-1. Property rights to a computer program or database created during the performance of work under a government contract

Property rights to a computer program or database created during the performance of work under a state contract for state needs of the Kyrgyz Republic belong to the Kyrgyz Republic, on whose behalf the government contractor acts, unless otherwise provided by the state contract.

The remuneration to the author of a computer program or database created during the performance of work under a government contract is paid by the person who received the property rights in accordance with the first part of this article. The procedure for payment and the amount of remuneration are established by the agreement between the author and the copyright holder. ";

2) in paragraph 6 of Article 14, replace the word "six" with the word "two".

Article 2

This Law enters into force ten days after the date of official publication.
