FIRST SCHEDULE

SECOND SCHEDULE

THIRD SCHEDULE

FOURTH SCHEDULE

INDUSTRIAL DESIGNS REGULATIONS 1999

In exercise of the powers conferred by section 47 of the Industrial Designs Act 1996 [Act 552], the Minister makes the following regulations:

PART I

PRELIMINARY

1. Citation and commencement.

(1) These regulations may be cited as the **Industrial Designs Regulations 1999**.

(2) These Regulations shall come into operation on 1 September 1999.

2. Interpretation.

(1) In these Regulations, unless the context otherwise requires—

“Office” means the Industrial Designs Registration Office or any of its branch offices established under section 5;

“priority date” means the filing date of the earlier application that serves as the basis for the right of priority as provided for in section 17.

(2) A reference to a section, subsection or paragraph in these Regulations shall be a reference to a section, subsection or paragraph in the Act.

3. Prescribed fee and surcharge.

The fees, surcharge and other payment to be paid under the Act and these Regulations shall be as prescribed in the First Schedule.

4. Forms.

(1) The forms referred to in these Regulations are those contained in the Second Schedule.

(2) Copies of the printed forms shall be furnished free of charge by the Registrar.

PART II

APPLICATION AND PROCEDURE FOR REGISTRATION OF INDUSTRIAL DESIGN

5. Application for registration of an industrial design.

(1) An application for the registration of an industrial design shall be made on ID Form 1 accompanied by the prescribed fee.

(2) The application shall be signed by the applicant or an agent appointed by the applicant in accordance with regulation 32.

(3) Where the applicant is the author, the application shall contain a statement to that effect, and, where he is not, the application shall specify each author's name and address and be accompanied by a statement justifying the applicant's right to the registration.

(4) Where pursuant to section 15, two or more industrial designs are the subject of the same application, the applicant shall specify the number of designs and pay the prescribed additional fees.

6. Language of documents and translations.

(1) The application for registration of an industrial design shall be in the national language or the English language.

(2) Where the application or any document forming part of an application is in a language other than the national language or the English language the application shall be accompanied by a certified translation and the name of the language.

7. Classification.

The application shall indicate a class or subclass in accordance with the International Classification for Industrial Designs.

8. Name, address, nationality and residence.

(1) Names of natural persons shall be specified in full and the names of legal entities shall be indicated by their full official designation.

(2) Addresses shall be indicated in such a way as to satisfy the customary requirements for prompt postal delivery and, in any case shall comprise of all the relevant administrative units, including the house number, telegraphic and telex addresses and facsimile and telephone number, if any.

(3) The nationality of an applicant shall be indicated by the name of the country of which he is a national and legal entities shall indicate the name of the country in which the entities are constituted and their registered office.

9. Common representative.

If an application is submitted by more than one applicant and the applicants have not appointed an agent to represent them—

(a) the applicants shall designate one of them as their common representative;
or

(b) if the applicants do not designate one of them as their common representative, the applicant first named in the application shall be considered the common representative.

10. Size, etc. of documents.

(1) Subject to any directions that may be given by the Registrar in any particular case, all applications, notices, papers having representations thereon, and other documents filed under the Act or these Regulations—

- (a) shall be in A4 size (29.7 cm x 21 cm) strong paper;
- (b) except where otherwise required, shall appear on one side only;
- (c) shall be free from cracks, creases or folds; and
- (d) shall be so presented as to admit of direct reproduction by photography, electrostatic process, photo offset and microfilming, with representations appearing on one side with a left-hand margin of approximately 3 cm.

(2) Representations shall be filed in six copies.

(3) Where representations consist of specimens, the specimens shall be of a size not exceeding 20 cm x 20 cm x 20 cm.

(4) The Registrar may require the specimens to be replaced by representations comprising of drawings, tracings or photographs.

(5) The photographs and drawings shall be of a size of 12.5 cm x 9 cm.

(6) In an application where words, letters or numerals appear in an industrial design, the Registrar may require that a disclaimer of any right to their exclusive use shall appear on each representation.

11. Numbering of industrial designs.

(1) Each industrial design contained in an application shall be given a number.

(2) The numbering shall appear in the margin next to each representation.

(3) When the same article is represented on the representation from different angles, the numbering shall consist of two separate figures separated by a dot.

(4) Each industrial design included in a multiple application shall be shown by a different number.

12. Statement of novelty.

(1) Except in the case of an application to register the pattern or ornament of a design to be applied to a textile article, to wallpaper or similar wall covering or to lace or to sets of textile articles, wallpaper or similar wall covering or lace, the statement of novelty required under paragraph 14(1)(c) shall appear on each representation.

(2) The statement of novelty shall appear only on the front of the first sheet of each representation except in a case which the Registrar, in the guidelines issued by him specifies that it is impracticable, such statement shall appear at a place specified by the Registrar in the same guidelines, and shall be separated from any other statement or disclaimer.

13. Disclosure to be disregarded as prior disclosure.

In a case where an applicant is aware, at the time of filing his application, of relevant prior disclosure which may qualify to be disregarded under subsection 12(3) for the purposes of determining whether his industrial design or designs is or are new, he shall either state the facts in a statement accompanying his application or he shall notify the Registrar as soon as practicable, in writing, giving the relevant facts.

14. Declaration claiming priority and translation of earlier application.

(1) The declaration referred to in subsection 17(2) shall be made at the time of filing an application for registration of an industrial design and shall specify—

- (a) the date of the earlier application;
- (b) subject to subregulation (2), the number of the earlier application;
- (c) subject to subregulation (3), the class and subclass number in accordance with the International Classification for Industrial Designs which has been allocated to the earlier application;
- (d) the name of the country in which the earlier application was filed or, where the earlier application is a regional or an international application, the name of the country or countries for which the regional or international application was filed; and
- (e) where the earlier application is a regional or an international application, the office with which the application was filed.

(2) Where at the time of filing the declaration referred to in subregulation (1), the number of the earlier application is not known, that number shall be furnished within three months from the date on which the application containing the declaration was filed.

(3) Where a class or subclass number of the International Classification for Industrial Designs has not been allocated to the earlier application, or had not yet been allocated at the time of filing the declaration referred to in subregulation (1), the applicant shall state the fact in the declaration and shall communicate such class or subclass number as soon as it has been allocated.

(4) The applicant may, at any time before registration of an industrial design, amend the contents of the declaration referred to in subregulation (1).

(5) The period for furnishing a certified copy of the earlier application, referred to in subsection 17(3), shall be three months from the date of the request by the Registrar, and where a copy has already been furnished for another application, the applicant may respond by making a reference to that other application.

(6) Where the earlier application is in a language other than the national language or the English language, the applicant shall, within six months from the date of the request by the Registrar referred to in subregulation (5), furnish a certified translation of the earlier application in the national language or the English language.

(7) Where the Registrar treats the declaration of priority as invalid under subsection 17(5), he shall inform the applicant in writing of the reason or reasons.

15. Representation which consists of a repeating surface pattern.

Each representation of an industrial design which consists of a repeating surface pattern shall show a complete pattern and a sufficient portion of the repeat in length and width, and shall be of a size not less than 18 cm x 13 cm x 18 cm x 13 cm.

16. Consent to registration.

(1) Where a portrait of Seri Paduka Baginda Yang di-Pertuan Agong or, Ruler of a State, or the reproduction of the armorial bearings, insignia, orders of chivalry, decorations of flags of any country, state, city, town, society, body corporate, institution or person appears on an industrial design, the Registrar shall consider whether to refuse to accept an application for the registration of the industrial design unless a consent to the registration and use of such portrait or reproduction from such official or other person as appears to the Registrar to be entitled to give consent is filed.

(2) In default of the consent referred to in subregulation (1) the Registrar shall refuse to register the industrial design.

17. Associated application in respect of other articles, etc.

Where the application is for the registration of an industrial design which has already been registered in respect of one or more articles, or consists of a registered industrial design with modifications or variations not sufficient to alter the character or to substantially affect the identity of the industrial design, and it is desired to claim the protection of section 23 for such application, it shall contain—

- (a) the number or numbers of the registration or registrations already effected or the application or applications already made, as the case may be; and
- (b) the number of the industrial design which is the subject of such registration or application.

18. According and notifying filing date.

(1) The Registrar shall cause the application for registration of an industrial design to be examined to determine whether the application satisfies the conditions under section 16.

(2) Where the Registrar finds that the application did not at the time of receipt satisfy the conditions referred to in subregulation (1), he shall, by notice require the applicant to file a correction and shall accord as the filing date the date of receipt of the correction, but if no correction is made within three months from the date of the notice, the application shall be deemed to have not been filed.

(3) The requirement to file a correction under subregulation (2) shall be in writing and shall specify the correction or corrections required.

(4) Once the Registrar accords a filing date, he shall send to the applicant a certificate of filing in the form of a copy of the application form with the filing date and application number marked on it.

(5) If the application is deemed to have not been filed, the Registrar shall notify the applicant in writing, specifying the reason or reasons.

19. Formal requirements and examination.

(1) For the purposes of subsection 21(5) the requirements of regulations 3 to 14 shall be designated as formal requirements.

(2) Where the Registrar determines that the application does not satisfy any of the formal requirements, the Registrar shall notify the applicant in writing and give him an opportunity to make observations on such finding and amend the application within three months from the date of the notification.

(3) If within the specified period, the applicant fails to satisfy the Registrar that the formal requirements have been complied with, or to amend the application so as to comply with the requirements the Registrar may refuse the application or, in the case of a multiple application, exclude from the registration any industrial design in respect of which the requirements have not been complied with.

(4) The Registrar shall notify the applicant, in writing, of his decision to accept or refuse the application or to exclude the industrial design.

(5) An application which, owing to any default or neglect on the part of the applicant has not been completed so as to enable registration to be effected within twelve months from the date of application shall be deemed to be withdrawn.

20. Certificate of registration.

(1) The certificate of registration of an industrial design referred to in paragraph 22(1)(b) shall be in the form set out in the Third Schedule.

(2) Where pursuant to section 15 two or more industrial designs are the subject of the same application, the Registrar shall, issue a common certificate of registration for those designs.

21. Particulars to be recorded in the Register.

The Register of Industrial Designs shall contain, in respect of each industrial design—

- (a) the particulars given in the certificate of registration;
- (b) an entry made under subregulation 26(2);
- (c) the date on which the industrial design expired, or was surrendered, or invalidated;

- (d) the name of the agent appointed in accordance with regulation 32, his address or the address for service, if any; and
- (e) the name of the country or countries in which or for which any earlier application was filed from which priority is claimed.

22. Publication of contents of registration.

In addition to the matters to be published in the *Gazette* under subsection 22(2), there shall also be published—

- (a) the particulars recorded in the Register under regulation 21;
- (b) a representation of the industrial design; and
- (c) any change in ownership of a registration under subregulation 26(1) with details on—
 - (i) the number of the application or registration, as the case may be, of the industrial design;
 - (ii) the filing date, the priority date, if any, and the date of registration;
 - (iii) the owner and the new owner; and
 - (iv) the nature of the change of ownership.

PART III

PERIOD OF REGISTRATION

23. Extension of period of registration.

(1) An application for extension of the period of registration under subsection 25(2) shall be made on ID Form 2 accompanied by the prescribed fee, within six months before the expiration of the current term or upon payment of the prescribed surcharge in the period of grace allowed under subsection 25(3).

(2) Upon extension of the period of registration, the Registrar shall issue a certificate of extension in the form set out in the Fourth Schedule.

(3) The lapse of a registration for non-payment of the prescribed extension fee shall be recorded in the Register in respect of all the industrial designs affected.

(4) This regulation shall also apply to the extension of the period of registration of industrial designs mentioned in subsection 50(2).

(5) Any extension fee paid shall not be refundable.

24. Request for restoration.

(1) A request for restoration of a lapsed registration pursuant to subsection 26(1) shall be made to the Registrar on ID Form 3 together with the prescribed fee and statement supporting the request.

(2) If, upon consideration of the application, the Registrar is not satisfied that a case for restoration under subsection 26(2) has been made out, he shall notify the applicant accordingly and, unless within one month from the date of the notification the applicant requests to be heard, the Registrar shall refuse the request.

(3) If the applicant requests a hearing within one month from the date of the notification referred to in subregulation (2), the Registrar shall, after giving him an opportunity to be heard by filing in written submissions within a specified time, determine whether the request shall be allowed or refused.

(4) If the Registrar decides to allow the application he shall notify the applicant accordingly and require him to file ID Form 2 together with the prescribed fee, any outstanding extension fee and the prescribed surcharge.

25. Notice of opposition to restoration.

A notice of opposition to the restoration of a registered industrial design under subsection 26(3) shall be made to the Registrar on ID Form 4 accompanied by the prescribed fee.

PART IV

ASSIGNMENT, TRANSMISSION, RECTIFICATION OF REGISTER OR REVOCATION OF REGISTRATION

26. Application to record assignment, transmission or other operation of law.

(1) An application under subsection 30(1) to record in the Register an assignment, transmission or other operation of law affecting rights in a registered industrial design or an application for the registration of an industrial design shall—

- (a) be made to the Registrar on ID Form 5; and
- (b) be accompanied by the prescribed fee, a certified copy of the assignment, transmission or other operation of law, as the case may be.

(2) Where satisfied that the application has been completed, the Registrar shall make such entry in the Register as he thinks fit.

27. Application for rectification or request for revocation.

(1) An application to the Registrar for rectification of the Register pursuant to subsection 24(3) or a request for revocation of registration of the industrial design under subsection 27(2) shall be made on ID Form 6 accompanied by the prescribed fee and a statement setting out fully the applicant's interest and the facts upon which he relies.

(2) Where the applicant is other than the owner of the industrial design, a copy of the application and the statement referred to in subregulation (1) shall be given to the owner.

(3) If the owner desires to oppose the application for rectification of the Register or revocation of registration of the industrial design he shall within three months from the date of receipt of the application file a notice of opposition which shall include a statement of the grounds upon which the owner objects to the application and shall give a copy to the applicant.

(4) An owner who does not file a notice of opposition shall be deemed to have no objection.

(5) Within two months from the date of receipt of the notice of opposition filed in accordance with subregulation (3), the applicant may file a counter-statement setting out the grounds on which he relies as supporting his application and the facts, if any, alleged in the notice of opposition which he admits, and shall at the same time give a copy to the owner.

(6) If no counter-statement is filed in accordance with subregulation (5), the application shall be deemed abandoned.

(7) If a counter-statement is filed in accordance with subregulation (5), the Registrar shall, after giving the owner and the applicant an opportunity to be heard by filing in written submissions within a specified time, decide on the matter.

28. Application to Court.

(1) An application to the Court under paragraph 24(1)(a), subsection 24(3) or paragraph 27(1)(a), (b) or (c) may be made by notice of motion.

(2) A copy of the application under subregulation (1) shall be given to the Registrar on ID Form 7 by filing it at the Office.

(3) The application under subsection 24(1) or (3) shall be made to the Court within one month from the date of the publication in the *Gazette* referred to in subsection 22(2).

(4) The time specified in subregulation (3) may be extended by the Court or the Registrar upon the application of any interested party, notwithstanding that the time so specified has expired.

29. Order of Court.

(1) Where an order is made by the Court, the applicant shall file an office copy of the order with the Registrar and, if rectification of the Register is required, ID Form 8 accompanied by the prescribed fee.

(2) The Register shall, where appropriate be rectified by the Registrar accordingly.

PART V

MISCELLANEOUS

30. Amendment of application and registered industrial design.

(1) A request to amend an application for the registration of an industrial design or a registered industrial design or any document associated therewith, under subsection 19(1) or 40(1), shall be made on ID Form 9 accompanied by the prescribed fee.

(2) Where a request under subregulation (1) relates to the correction of a clerical error or obvious mistake, the request shall be accompanied by evidence stating the circumstances in which the error or mistake occurred.

(3) Amendments or corrections made shall be communicated in writing to all interested persons and where he considers necessary, the Registrar shall cause the amendments or corrections to be published in the *Gazette*.

(4) Corrections of obvious clerical errors may be made by the Registrar on his own initiative. In that case, subregulation (3) shall apply *mutatis mutandis*.

31. Discretionary power and opportunity to be heard.

(1) The Registrar shall serve a notice on an owner of an industrial design or any interested person of his intention to exercise adversely any discretionary power given to him by the Act or these Regulations.

(2) The person on whom a notice is served under subregulation (1) shall, within two months from the date of the notice, make written representations to the Registrar which shall be taken into consideration by the Registrar to arrive at a decision.

(3) If no written representations are made within the prescribed period, the Registrar may proceed to exercise his power in the absence of such representation.

(4) The decision of the Registrar in the exercise of any such discretionary power shall be notified to the person affected.

32. Appointment of an agent.

(1) Except as otherwise required by the Act or these Regulations, any person may be represented in proceedings before the Office by an agent who may attend, file and sign documents on that person's behalf.

(2) Where a person becomes a party to proceedings before the Registrar appoints an agent for the first time or appoints an agent in substitution for another, the agent appointed shall file ID Form 10 with the Registrar, in duplicate on or before the first occasion on which he acts as an agent for that party in the proceedings.

(3) No person may appoint more than one agent to act for him concurrently in respect of the same industrial design, whether in respect of the same or different transactions; and where more than one agent is on record, the Registrar shall recognize only the latest agent duly appointed.

(4) The Registrar shall decline to recognize as an agent any person who is not currently on the Register of Industrial Designs Agents of Malaysia compiled and maintained under regulation 33.

33. Registration of agents.

(1) The Registrar shall maintain a Register of Industrial Designs Agents.

(2) An application to be registered as an industrial design agent shall be made to the Registrar on ID Form 11 accompanied by the prescribed fee.

(3) In order to be registered in the Register of Industrial Designs Agents, the applicant shall satisfy the Registrar that he is either domiciled or resident in Malaysia or has a principal place of business in Malaysia, and—

(a) is on the Register of Patents Agents maintained in pursuance of regulations made under the Patents Act 1983 [Act 291];

(b) is an advocate and solicitor practising solely in Malaysia; or

(c) holds a recognized degree in any field of studies and has had at least three years experience in the field of industrial property.

(4) The Registrar shall not register any person who has been convicted of any registrable offence or any criminal offence involving fraud or dishonesty.

(5) The Registrar, upon being satisfied that the applicant qualifies to be registered in the Register of Industrial Designs Agents, shall register the applicant for a term expiring on 31 December of that year.

(6) An agent shall be removed from the Register of Industrial Designs Agents if he—

(a) is no longer domiciled or resident in Malaysia or no longer has a principal place of business in Malaysia;

(b) is convicted of a registrable offence or any criminal offence involving fraud or dishonesty; or

(c) has been struck off and not restored to the Register of Patents Agents or the Roll of Advocates and Solicitors or is suspended for the time being from that Register or that Roll.

(7) An application for the extension of registration as an industrial design agent shall be made to the Registrar on ID Form 12 together with payment of the prescribed fee before 31 January of each year.

(8) The Registrar shall, upon being satisfied that the conditions specified in subregulations (3) and (4) continue to be satisfied, extend the registration of an industrial design agent for a term expiring on 31 December of that year.

34. Power to require documents.

At any stage of any proceedings before the Registrar, he may direct that additional documents, information or evidence be furnished within such period as he may determine.

35. Evidence.

(1) Where under these Regulations evidence may be filed, the evidence shall be by statutory declaration or affidavit.

(2) The Registrar may, if he thinks fit, in any particular case, take oral evidence in lieu of or in addition to such evidence and shall allow any witness to be cross-examined on his declaration or affidavit.

36. Statutory declarations and affidavits.

(1) Any statutory declaration or affidavit filed under these Regulations or used in any proceedings under it, shall be made and subscribed as follows:

(a) in Malaysia, in accordance with the provisions of the Statutory Declarations Act 1960 [Act 13] or the Rules of the High Court 1980 [P.U. (A) 50/80], as the case may be;

- (b) in any other part of the world before any court, judge, justice of the peace, magistrate, notary public, consul or other officer authorized by law in that part of the world to administer an oath for the purpose of any legal proceedings.

(2) Any document purporting to have affixed, impressed or subscribed thereto or thereon the seal or signature of any person authorized by subregulation (1) to take a declaration or to attest an affidavit may be admitted without proof of the genuineness of the seal or signature or of the official character of the person or his authority to take the declaration or to attest the affidavit.

37. Power to dispense with evidence.

Where, under these Regulations, any person is required to do any act or thing, or any document or evidence is required to be produced or filed, and it is shown to the satisfaction of the Registrar that by any reasonable cause that person is unable to do that act or thing or that document or evidence cannot be produced or filed, the Registrar may, upon the production of such other evidence and subject to such terms as he thinks fit, dispense with the doing of any such act or thing, or the production or filing of such document or evidence.

38. Rectification of irregularities.

Any irregularity in procedure in or before the Office may be rectified on such terms as the Registrar may direct.

39. Signatures on documents.

(1) A document purporting to be signed for or on behalf of a partnership shall contain the names of all the partners in full and shall be signed—

- (a) by all the partners;
- (b) by the principal acting partner stating that he signs on behalf of all the partners; or
- (c) by an agent or any other person who satisfies the Registrar that he is authorized to sign the document.

(2) A document purporting to be signed for or on behalf of a body corporate shall be signed—

- (a) by a director or the secretary or other principal officer of the body corporate; or
- (b) by an agent or any other person who satisfies the Registrar that he is authorized to sign the document.

(3) A document purporting to be signed for or on behalf of an association of persons other than a partnership may be signed by the secretary or an agent or any other person who satisfies the Registrar that the person is authorized to sign the document on behalf of the association.

(4) The Registrar may, whenever he deems it necessary, request evidence of authorization to sign.

40. Address for service.

(1) Subject to subsection 14(2), any person concerned with any proceedings under the Act or any regulations made under it shall furnish to the Registrar an address for service in Malaysia which may be treated for all purposes concerning with or relating to such proceedings as the actual address of the person concerned.

(2) Notwithstanding subregulation (1), where an agent has been appointed, the address for service shall be the address of the agent.

(3) Notwithstanding subregulations (1) and (2), the address for service in Malaysia of a person applying for registration of an industrial design shall, following registration, be treated as the address for service in Malaysia of the owner of the industrial design unless an alternative address for service is furnished.

41. Excluded days.

Whenever the last day fixed by the Act or by these Regulations for doing any act or thing at the Office falls on a day which is an excluded day, it shall be lawful to do the act or thing on the first day following such excluded day which is not an excluded day.

42. Service by post.

Any notice, application or other document required by the Act or these Regulations to be sent by post shall be sent by A.R. registered post and shall be deemed to have been given, made or filed at the time when it would have been delivered in the ordinary course of such post.

43. Request for extension of time.

(1) A request under section 43 for an extension of time shall be made to the Registrar on ID Form 13 accompanied by the prescribed fee.

(2) The maximum period for extension of time shall not exceed three months from the specified date.

44. Time for inspection of Register.

The Register shall be opened for the inspection of the public during working hours.

45. Request for copies or extracts.

Any request for certified or uncertified copies of or extracts from any entry or document in the Register shall be made on ID Form 14 accompanied by the prescribed fee.

46. Inspection of files.

Any file relating to an assignment, transmission or other operation of law may be inspected and copies obtained from it only with the written permission of an interested person.

ID FORM 1

NOTES:

- (a) If you need help to fill in this Form or you have any questions, please contact the Industrial Designs Registration Office at 603-22742100.
- (b) State your details in the column provided in capital letters using **black ink** or you may type them.
- (c) This Form should be accompanied by six identical representations (seven if application is for a set of articles) of the industrial design. Except in the case of an application for an industrial design which applied to lace, textile article or wallpaper (or similar wall covering), a statement of the features of the industrial design for which novelty is claimed (a statement of novelty) should appear on each representation. In the case of representations which consist of more than one sheet, the statement of novelty should only appear on the first sheet. If it is impracticable for the statement of novelty to appear on a representation it may be given on a separate sheet of paper.
- (d) If words, letters or numerals appear in the design, the Registrar will normally require a disclaimer of any right to their exclusive use to appear on each representation.
- (e) If the column provided is insufficient, please continue on a separate sheet of paper and write "see overleaf". Any separate sheet of paper used should be attached to this Form.
- (f) Different fees shall be payable according to whether the application relates to a single or multiple application. For details of the fee(s) and ways to pay please contact the Industrial Designs Registration Office, Intellectual Property Division, Ministry of Domestic Trade and Consumer Affairs.
