Office Order No. 206
Series of 2012

Subject: Deployment of the Industrial Property Automation System (IPAS) for Inventions

Effective 10 September 2012, the Industrial Property Automation System (IPAS) for Inventions will be in production.

All the officers and staff of the Bureau of Patents (BOP) are directed to use IPAS Inventions in processing all inventions applications and post-grant transactions. Access of the BOP to iPatents¹ is terminated effective 1500h on 06 September 2012. No invention applications, documents, or other transactions will be processed outside of IPAS Inventions.

The Deployment Support Team will be led by Mr. Nony Prudenciado, IIPMS Project Manager for Business.

For strict compliance.
