ACT (1997:791) of November 6, 1997,
AMENDING THE ACT (1980:612) ON MEDIATION IN CERTAIN
COPYRIGHT DISPUTES

As decided by the Parliament, it is hereby prescribed that Article 1 of the Act (1980:612) on Mediation in Certain Copyright Disputes shall read as follows.

Article 1. This Act applies to disputes concerning the conclusion of an agreement which is a condition for an extended collective agreement license under Article 13 or, as regards retransmission by wire, Article 26 f of the Act (1960:729) on Copyright in Literary and Artistic Works. The Act also applies to corresponding disputes which may arise on the basis of the references to Article 13 and 26 f in Articles 45, 46, 49 and 49 a of the Act on Copyright in Literary and Artistic Works and also where an agreement on the preparation of copies is to be concluded with a Swedish sound radio or television organization or an agreement on retransmission by wire is to be concluded with a sound radio or television organization which carries out broadcasts within the European Economic Area.

This Act enters into force on January 1, 1998.
