<b>THE CABINET OF MINISTERS OF UKRAINE</b>
<b>RESOLUTION</b>
<b>No. 859 dated 15 August 2023</b>
<b>Kyiv</b>

**On Amendments to the Procedure of Fee Payment for Actions Related to the Protection of Intellectual Property Rights**

The Cabinet of Ministers of Ukraine hereby **resolves**:

1. To amend the [Procedure of Fee Payment for Actions Related to the Protection of Intellectual Property Rights](#), approved by Resolution No. 1716 of the Cabinet of Ministers of Ukraine of 23 December 2004 (Official Bulletin of Ukraine, 2004, No. 51 3354; 2019, No. 49, Article 1666; 2021, No. 3, Article 160), as follows.

Код поля изменен

2. This Resolution shall enter into force within 30 days from the date of its publication.

<b>Prime Minister of Ukraine</b>	<b>D. SHMYHAL</b>
----------------------------------	-------------------

	<b>Approved</b> <b>by the Resolution No. 859 of the Cabinet of Ministers of Ukraine dated 15 August 2023</b>
--	---

**AMENDMENTS**

to the [Procedure of Fee Payment for Actions Related to the Protection of Intellectual Property Rights](#)

Код поля изменен

1. [Paragraphs 3](#), 3<sup>1</sup>, 3<sup>2</sup> and 3<sup>4</sup> shall be amended to read as follows:

Код поля изменен

"3. An individual who is an applicant, holder of a relevant patent or a certificate of state registration of an industrial design or a certificate of registration of a semiconductor product layout shall pay a respective fee for actions related to the protection of such rights, except for fees under the codes 13300, 13400, 13700, 22200, 22400, 32100 and 32300 in accordance with the Annex - in the amount of:

Код поля изменен

10 per cent of the established fee provided by the Annex - if mentioned individuals are the inventors of an invention or the authors of a semiconductor product layout;

20 per cent of the established fee under the Annex - if mentioned individuals are the inventors of a utility model or the authors of an industrial design.

3<sup>1</sup> Non-profit institutions and organisations that are applicants or holders of a patent for an invention (utility model) shall pay a respective fee for actions related to the protection of such rights, except for fees under the codes 13300, 13400, 13500 and 13700 in accordance with the Annex - in the amount of:

12 per cent of the established fee under the Annex - if the mentioned persons are applicants who file an application for an invention or holders of a relevant patent;

30 per cent of the established fee under the Annex - if the mentioned persons are applicants who file a utility model application or holders of a relevant patent.

3<sup>2</sup> If an applicant/holder of a patent for an invention (utility model) is an inventor of an invention (utility model) together with a non-profit institution or organisation, a relevant fee for actions related to the protection of such rights, except for fees under the codes 13300, 13400, 13500 and 13700 provided by the Annex - shall be paid in the amount of:

15 per cent of the established fee under the Annex - if the mentioned persons are applicants ,who file an application for an invention or holders of a relevant patent;

40 per cent of the established fee under the Annex - if mentioned persons are applicants who file a utility model application or holders of a relevant patent.";

"3<sup>4</sup>. In case of a subsequent transfer of rights within five years from the date of state registration of an invention (utility model), industrial design or semiconductor product layout to a person towards whom the fee reduction provided by paragraphs 3, 3<sup>1</sup> and 3<sup>2</sup> of this Procedure is not applied, or including such person into the list of holders of the respective patent or certificate, such transfer or inclusion shall be subject to an additional fee paid for the last three years preceding the transfer or inclusion, up to the full amount, established under the Annex."

2. [The Procedure](#) shall be supplemented with paragraph 3<sup>5</sup> to read as follows:

Код поля изменен

"3<sup>5</sup>. If an application for an intellectual property rights is filed in electronic form, the amount of fees under the codes:

10100, 20100, 30100 and 50100 in accordance with the Annex shall amount to 80 per cent of the fee amount established under the relevant code;

40100 or 40200 in accordance with the Annex shall amount to 75 per cent of the fee established by the relevant code.

The fee amount for filing an application for intellectual property rights in electronic form shall be determined by the fee amount to which the basis to reduce/increase its amount is applied."

3. [Subparagraph three](#) of paragraph 4 shall be amended to read as follows:

Код поля изменен

"Receipts from fees are target-oriented and, in accordance with the Procedure established by the Ministry of Economy, used exclusively to ensure the development and functioning of the state system intellectual property legal protection, including financing of state promotion of creation and use of inventions (utility models), industrial designs. Information on the amount of funds received on accounts of the National Intellectual Property Authority resulting from payment of fees shall be published on the official website of the National Intellectual Property Authority in real time and shall indicate: the fee code, fee type, and amount paid. Reports on the use of proceeds from fees for actions related to the protection of intellectual property rights shall be published on the official website of the National Intellectual Property Authority quarterly not later than the 25th day of the month following the reporting period, and annually until 28 February."

4. [Paragraph 6](#) shall be supplemented with the following subparagraph:

Код поля изменен

"Correlation of the fee paid towards its established amount shall be determined on the payment date."

5. In [paragraph 7](#):

Код поля изменен

subparagraphs 1-3 shall be amended to read as follows:

"1) in full in case of:

fee payment without submitting an application within the terms established by paragraph 6 of this Procedure;

recognition of an application as not filed or not being subject to consideration;

fee payment under the Annex after the expiration of term established by law;

2) in part - in case of the fee payment in the amount exceeding the one envisaged by this Procedure;

3) in the amount established by law - in case an objection has been fully or partially satisfied by the Appeals Chamber;”;

to supplement [the paragraph](#) with subparagraph 4 to read as follows:

Код поля изменен

“4) in other cases established by law.”.

6. In [paragraph 10](#), the words “to the National Intellectual Property Authority” shall be replaced by the words “by the National Intellectual Property Authority”.

Код поля изменен

7. [The Annex](#) to the Procedure shall be amended to read as follows:

Код поля изменен

	Annex to the Procedure (as amended by the Resolution of No. 859 the Cabinet of Ministers of Ukraine dated 15 August 2023)
--	---

### Amount

#### of fees for actions related to the protection of intellectual property rights

Fee Code	Fee type	Amount of fee, UAH
	Fees for actions related to the protection of rights to an invention and a utility model	
10100	Arising from an application (international application) for:	
	an invention having no more than three claims	1600
	a utility model having no more than three claims	2400
	additionally, per each claim above the mentioned limit:	
	for an invention	160
	for a utility model	240
	additionally, per each complete or incomplete 50 pages of a description and drawings of the application for an invention (utility model) exceeding 150 pages as of the date of filing and for an international application - as of the date of receipt of its translation into Ukrainian, for an/a:	
	invention	800
	utility model	1200
10200	For filing a request for extending the term of a filing fee payment for an application (international application) for an invention (utility model)	800
10300	For filing a request for extending the term for obtaining a	800

	translation of an international application for an invention (utility model) in Ukrainian and/or paying a filing fee	
10400	For filing a request to renew the international patent application for an invention (utility model) in Ukraine	200
10500	For the extension (renewal) of the priority under a previous patent application for invention (utility model)	200
10600	For extending the term to file for the priority of a previous patent application (invention or utility model)	200
10700	For extending the term to submit a copy of a previous patent application (invention or utility model)	200
10800	For the extension of the term for receipt of the translation into Ukrainian of a previous patent application for invention (utility model)	800
10900	For filing a request for correcting a mistake that is not obvious or technical in an application for an invention (utility model)	1600
	for each additional claim regarding the application for invention (utility model), provided such application results in an increase in the number of claims	160
	for each additional independent claim if filing of an invention application following an application for a qualified examination thereof increases the number of claims	6000
11000	For the submission of an application to amend the application for an invention (utility model) in connection with the circumstances under the applicant's control:	
11001	their name (title)	200
11002	their address	200
11003	correspondence addresses	200
11004	name of their representative	200
11005	address of their representative	200
	additionally, for amending said application with more than one equivalent change to each patent application (invention or utility model)	20 per cent of the amount established under codes 11001-11005
11100	For filing a request to amend a patent application for an invention (utility model) related to the change of an applicant in connection with the circumstances under the applicant's control	1200
11200	For filing a request for extending the term for filing additional materials to a patent application for an invention (utility model):	800
11300	For filing a request for restoration of the applicant's rights regarding the application for an invention (utility model) if the	800

	term for filing such additional materials was missed for valid reasons	
11400	For filing a request regarding the publication of information on an invention application earlier than 18 months from the date of the application	200
11500	For familiarisation with the materials of a patent application (invention or utility model) following the publication of information thereon or the information on state registration of an invention (utility model)	200
11600	For conducting a qualified examination of an application for an invention having one independent claim	6000
	additionally, per each independent claim exceeding one	6000
11700	For filing a request for extending the term for applying for a qualified examination of an invention application and/or a fee payable for such examination	800
11800	For filing a request for the restoration of the applicant's rights under application if the term for applying for a qualified examination of an invention application and/or a fee payment for such examination was missed for valid reasons	800
11900	For filing a request for extending the term for responding to a preliminary conclusion under an application for an invention (utility model)	800
12000	For filing a request for the restoration of the applicant's rights regarding the application for an invention (utility model), if the term for response to the preliminary conclusion thereon was missed for valid reasons	800
12100	For conversion of the application	800
<i>Note.</i>	<i>Submission of an application for conversion does not affect the obligation to pay the fee under code 11600, if necessary.</i>	
12200	For filing an objection to the Appeals Chamber against the decision under an application for an/a:	
	invention	6800
	utility model	3400
12300	For filing a request term for extending the term for consideration by the Appeals Chamber of the objection against the decision under an application for an invention (utility model)	800
12400	For publications about state registration of an/a:	
	invention	400
	utility model	600
	additionally, per each page above 15 pages of properly designed description, drawings, claims (utility model) and	20

	abstract (in total) contained in the application	
12500	For filing a request for extending the term or receipt of a state fee payment document for registration of an invention (utility model)	800
12600	For filing a request for extending the term for payment of the publication fee regarding state registration of an invention (utility model)	800
12700	For filing a request for the restoration of the applicant's rights under application if the term for receipt of the state duty payment for registration of the invention (utility model) was missed for valid reasons	800
12800	For filing a request for the restoration of the applicant's rights under application if the term for payment of the publication fee regarding state registration of the invention (utility model) was missed for valid reasons	800
12900	For filing a request to receive a abstract or an extract from the data register on the state registration of an invention (utility model)	200
13000	For submitting amends to the register regarding the established list of eligible amends related to a particular invention or utility model (at the initiative of the patent holder)	1600
13100	For the issuance of a duplicate patent for an invention (utility model)	200
13300	For publication regarding issuance of a license to an invention (utility model) or any number of inventions (utility models) specified in the patent	2400
13400	For publication of amends to published information regarding the issuance of a license to an invention (utility model) or any number of inventions (utility models) specified in the patent	800
13500	For publication of information on the transfer of exclusive intellectual property rights to an invention (utility model) or any number of inventions (utility models) specified in the patent	2400
13700	For filing a request seeking examination of a utility model in respect of its conformity with the criteria of patentability	6000
13800	The annual fee for maintaining the validity of intellectual property rights to an invention for each year of its validity starting from the date of application:	
13801	first	450
13802	second	450
13803	third	800
13804	fourth	1000
13805	fifth	1200

13806	sixth	1400
13807	seventh	1600
13808	eighth	1800
13809	ninth	4200
13810	tenth	4200
13811	eleventh	4200
13812	twelfth	4200
13813	thirteenth	4200
13814	fourteenth	4200
13815	fifteenth	7600
13816	sixteenth	7600
13817	seventeenth	7600
13818	eighteenth	7600
13819	nineteenth	7600
13820	twentieth	7600
Notes:	1. Maintenance fee under an invention patent following a submission for official publication of a declaration offering any third person to grant permission to use the patented invention.	50 per cent of the amount established under codes 13801-13820
	2. Maintenance fee under an invention patent provided it is paid within 12 months following the end of the established period or its payment along with the request for the restoration of the applicant's rights under an invention patent if the payment term was missed.	150 per cent of the amount established under codes 13801-13820
13900	The annual fee for maintenance of intellectual property rights to a utility model for each year of its validity starting from the date of application:	
13901	first	900
13902	second	900
13903	third	1200
13904	fourth	1500
13905	fifth	1800
13906	sixth	2100
13907	seventh	2400
13908	eighth	2700
13909	ninth	6300

13910	tenth	6300
Notes:	1. Maintenance fee under a utility model patent following a submission for official publication of a declaration offering any third person to grant permission to use a utility model.	50 per cent of the amount established under codes 13901-13910
	2. Fee for the extension of the protection of intellectual property rights to a utility model if it is paid within 12 months following the end of the established period or if it is paid along with filing a request for the restoration of the applicant's rights to the patent for a utility model if the payment term was missed.	150 per cent of the amount established under codes 13901-13910
14000	For filing a request seeking to obtain a certificate of additional protection submitted by a patent holder	12000
14100	For filing a request requesting to send a notice in respect of the possibility of patenting an invention (utility model) in foreign countries ahead of the period specified by law	200
14200	For sending over an international application under Rule 14 of the Regulations under <a href="#">the Patent Cooperation Treaty</a>	2600
14300	For the preparation and sending over a priority document of up to 30 pages under Rule 17.1 (b) of the Regulations under <a href="#">the Patent Cooperation Treaty</a>	800
	additionally, per each extra page starting from the thirty-first	10
14500	For issuing a certificate of an intellectual property representative	400
14700	For submitting a request by a foreign person or stateless individual seeking for extending the term to appoint a representative and decide on the address for correspondence	800
14800	For filing an objection to an invention application	6000
14900	For filing a request for information research	3000
15000	For filing a request for a divisional application	800
Note.	Filing for a divisional application does not affect the obligation to pay fees in the amount specified under codes 10100 and 11600.	
15100	For filing an application seeking to invalidate recognition of rights to an invention (utility model) to the Appeals Chamber	32000
15200	For filing a request for extending the period of consideration of an application seeking to invalidate recognition of rights to an invention (utility model)	800
15300	For filing a request for full waiver of rights resulting from state registration of an invention (utility model)	800
15400	For filing a request for partial waiver of rights resulting from state registration of an invention	1600

Код поля изменен

Код поля изменен

15500	For filing a request for partial waiver of rights resulting from state registration of a utility model	7600
15600	For examination in case of partial waiver of rights for each independent amended claim	3000
15700	For filing a request for the restoration of the applicant's rights under an invention patent if the term for payment of the patent maintenance fee was missed	800
15800	For filing a request for the restoration of the applicant's rights under a utility model patent, if the term for payment of the patent maintenance fee was missed	800
15900	Annual maintenance fee under a supplementary protection certificate for each full or incomplete year of its validity:	
15901	first	30000
15902	second	32000
15903	third	34000
15904	fourth	36000
15905	fifth	38000
Notes.	1. <i>For maintaining an invention patent in the twenty-first - twenty-fifth years, fees shall be paid in the amount provided by the codes 15901-15905, respectively, if the validity of a patent was extended before the date of entry into force of the Law of Ukraine of 21 July 2020 <a href="#">No. 816</a> "On Amendments to Certain Laws of Ukraine Regarding the Patent Law Reform".</i>	
	2. <i>The maintenance fee regarding the supplementary protection certificate, provided it is paid within 12 months after the established period or filing of a request for the restoration of the rights if the payment term was missed.</i>	150 per cent of the amount established under codes 15901-15905
16000	For filing a request for the restoration of the rights if the term for payment of the maintenance fee under a certificate of additional protection was missed	800
	Fees for actions related to the protection of rights to an industrial design	
20100	For filing an application for an industrial design that contains one industrial design	1600
	per each additional industrial design included in the application	500
20200	For filing a request for extending the term for payment of the filing fee under an industrial design application	800
20300	For submitting an application for correcting errors in an industrial design application, provided they are not obvious or technical	1600

Код поля изменен

20400	For filing by the applicant of a request to amend an industrial design application in connection with the circumstances under their control:	
20401	their name (title)	200
20402	their address	200
20403	correspondence addresses	200
20404	name of their representative	200
20405	address of their representative	200
	additionally, if a request seeks to make the same change to each application above, one	20 per cent of the amount established under codes 20401-20405
20500	For filing a request to amend an industrial design application related to the change of an applicant in connection with the circumstances that has arisen depending on the requesting person	1200
20600	For filing of a request term for extending the term to submit additional materials under an industrial design application	800
20700	For filing of a request to renew the term to submit additional materials under an industrial design application	800
20800	For filing of a request for extending the term to respond to preliminary conclusion under an industrial design application	800
20900	For filing of a request to renew the term to respond to preliminary conclusion under an industrial design application	800
21000	For the publication of information on the state registration of an industrial design, per each image thereof	300
21100	For filing a request for extending the term for receipt of a document confirming the state duty payment for the registration of an industrial design	800
21200	For filing a request for extending the payment term for publication of information on the state registration of an industrial design	800
21300	For filing of a request for the restoration of the applicant's rights under application if the term for receipt of a document regarding the state duty payment for the registration of an industrial design was missed	800
21400	For filing of a request for the restoration of the applicant's rights under application if the term for payment for the publication of information on the state registration of an industrial design was missed	800
21500	For the familiarisation of the materials of an industrial design application	200

21600	For filing a request to obtain an abstract or an extract from the State Register of Ukraine's Certificates on Industrial Designs regarding information about an industrial design	200
21700	For making amends to the State Register of Ukraine's Certificates for Industrial Designs under the established list of eligible amends to the industrial design certificate upon the initiative of the owner of the industrial design	1600
21800	For issuing a duplicate certificate for an industrial design	200
21900	For filing an objection to the Appeals Chamber against the decision under an application for an industrial design	4000
22000	For filing a request for extending the term for consideration by the Appeals Chamber of the objection against the decision under an industrial design application	800
22100	The annual maintenance fee for an industrial design per each year of validity of intellectual property rights thereon, starting from the date of application:	
22101	first	300
22102	second	300
22103	third	600
22104	fourth	800
22105	fifth	900
22106	sixth	1200
22107	seventh	1500
22108	eighth	1800
22109	ninth	2000
22110	tenth	2400
22111	eleventh	2400
22112	twelfth	2400
22113	thirteenth	4000
22114	fourteenth	4000
22115	fifteenth	4000
22116	sixteenth	4200
22117	seventeenth	4200
22118	eighteenth	4200
22119	nineteenth	4200
22120	twentieth	4200
22121	twenty-first	4800

22122	twenty-second	4800
22123	twenty-third	4800
22124	twenty-fourth	4800
22125	twenty-fifth	4800
Notes:	1. Annual maintenance fee for an industrial design in case of submission for official publication of a declaration offering to permit any third person to use a registered industrial design.	50 per cent of the amount established under codes 22101-22125
	2. Annual maintenance fee for an industrial design if paid within six months following the end of the established period.	150 per cent of the amount established under codes 22101-22125
22200	For the publication of information on the issuance of a license for an industrial design	2400
22300	For the publication of information on the transfer of ownership to an industrial design	2400
22400	For the publication of amends to the previous publication on the issuance of a license to an industrial design	800
22500	For filing a request to make amends to the application for an industrial design regarding its division	800
22600	For filing a divisional industrial design application	6800
22700	For submitting an application to the Appeals Chamber aimed to invalidate rights to an industrial design	32000
22800	For filing a request for extending the term of validity of rights to an industrial design	800
Fees for actions related to the protection of rights to the layout of semiconductor products		
30100	For filing an application seeking registration of a layout of semiconductor products	1600
30200	For filing a request for extending the term for the payment arising from the submission of an application seeking to register a layout of semiconductor products	800
30300	For submitting a request for correcting a mistake in the application for registration of a layout of semiconductor products that is not obvious or technical	1600
30400	For submitting by the applicant of a request to make a change to the application for registration of a layout of semiconductor products in connection with the circumstances under their	

	control:	
30401	their name (title)	200
30402	their address	200
30403	correspondence addresses	200
30404	name of their representative	200
30405	address of their representative	200
	additionally, for making the same change to each application above one, as mentioned in the foregoing request	20 per cent of the amount established under codes 30401-30405
30500	For filing a request to amend an application for a layout of semiconductor products regarding the change of an applicant in connection with the circumstances under control of a requesting person	1200
30600	For filing a request for extending the term for submitting additional materials to the application for registration of a layout of semiconductor products	800
30700	For filing a request for the restoration of the applicant's rights regarding the application if the term for submitting additional materials to the application for registration of a layout of semiconductor products was missed for valid reasons	800
30800	For filing a request for extending the term for responding to the preliminary conclusion regarding the application for registration of a layout of semiconductor products	800
30900	For filing a request to renew the term for a response to the preliminary conclusion regarding the application for registration of a layout of semiconductor products	800
31000	For the publication on registration of a layout of semiconductor products	400
	additionally, per each page above 15 of a properly completed application	20
31100	For filing a request for extending the term for receipt of a document on the state duty payment for registration of a layout of semiconductor products	800
31200	For filing a request for extending the term for payment of the publication fee following registration of a layout of semiconductor products	800
31300	For filing a request for the restoration of the applicant's rights under application if the term for receipt of the state duty payment for registration of a layout was missed for valid reasons	800
31400	For filing a request for the restoration of the applicant's rights under application if the term for receipt of the state duty	800

	payment for publication about registration of a layout of semiconductor products was missed for valid reasons	
31500	For filing a request to obtain an abstract or an extract from the State Register of Ukraine's semiconductor product layouts in respect of information thereon	200
31600	For filing a request to make amends to the State Register of Ukraine's Semiconductor Product Layouts in connection with the circumstances regarding the applicant's control concerning layout registration	1600
31700	For familiarisation with the materials of the application for registration of a layout of semiconductor products	200
31800	For issuing a duplicate certificate for a layout of semiconductor products	200
31900	For filing an objection to the Appeals Chamber against the decision under application for registration of the layout of semiconductor products	3400
32000	For filing a request for extending the term for consideration by the Appeals Chamber of the objection to the decision under application for registration of a layout of semiconductor products	800
32100	For the publication of information on the issuance of a license to a layout of semiconductor products	2400
