(II) by only taking into account employees employed during the portion of

the taxable year described in clause (i)(I).

(iii) Employee remains covered executive

If an employee is a covered executive with respect to an applicable employer for any applicable taxable year, such employee shall be treated as a covered executive with respect to such employer for all subsequent applicable taxable years and for all subsequent taxable years in which deferred deduction executive remuneration with respect to services performed in all such applicable taxable years would (but for this paragraph) be deductible.

(A) except as provided in subparagraphs (B) and (C), at the same rate as licensed commercial insurers are required to reimburse hospitals for such services when such reimbursement is not through such a plan,

(B) in the case of any reimbursement through a health maintenance organization, at the same rate as health maintenance organizations are required to reimburse hospitals for such services for individuals not covered by such a plan (determined without regard to any government-supported individuals exempt from such rate), or

The Secretary shall prescribe such regulations as may be appropriate to carry out the purposes of this subsection and subsection (e)(5), including—

(A) regulations providing for modifications to the provisions of this subsection and subsection (e)(5) in the case of varying rates of interest, put or call options, indefinite maturities, contingent payments, assumptions of debt instruments, conversion rights, or other circumstances where such modifications are appropriate to carry out the purposes of this subsection and subsection (e)(5), and

(B) regulations to prevent avoidance of the purposes of this subsection and subsection (e)(5) through the use of issuers other than C corporations, agreements to borrow amounts due under the debt instrument, or other arrangements.

(j) Limitation on deduction for interest on certain indebtedness

(1) Limitation

(A) In general

If this subsection applies to any corporation for any taxable year, no deduction shall be allowed under this chapter for disqualified interest paid or accrued by such corporation during such taxable year. The amount disallowed under the preceding sentence shall not exceed the corporation's excess interest expense for the taxable year.

(B) Disallowed amount carried to succeeding taxable year

Any amount disallowed under subparagraph (A) for any taxable year shall be treated as disqualified interest paid or accrued in the succeeding taxable year (and clause (ii) of paragraph (2)(A) shall not apply for purposes of applying this subsection to the amount so treated).

(2) Corporations to which subsection applies

(A) In general

This subsection shall apply to any corporation for any taxable year if—

(i) such corporation has excess interest expense for such taxable year, and

(ii) the ratio of debt to equity of such corporation as of the close of such taxable year (or on any other day during the taxable year as the Secretary may by regulations prescribe) exceeds 1.5 to 1.

(B) Excess interest expense

(i) In general

For purposes of this subsection, the term ''excess interest expense'' means the excess (if any) of—

(I) the corporation's net interest expense, over

(II) the sum of 50 percent of the adjusted taxable income of the corporation plus any excess limitation carryforward under clause (ii).

(ii) Excess limitation carryforward

If a corporation has an excess limitation for any taxable year, the amount of such excess limitation shall be an excess limitation carryforward to the 1st succeeding taxable year and to the 2nd and 3rd succeeding taxable years to the extent not previously taken into account under this clause. The amount of such a carryforward taken into account for any such succeeding taxable year shall not exceed the excess interest expense for such succeeding taxable year (determined without regard to the carryforward from the taxable year of such excess limitation).

(iii) Excess limitation

For purposes of clause (ii), the term ''excess limitation'' means the excess (if any) of—

(I) 50 percent of the adjusted taxable income of the corporation, over

(II) the corporation's net interest expense.

(C) Ratio of debt to equity

For purposes of this paragraph, the term ''ratio of debt to equity'' means the ratio which the total indebtedness of the corporation bears to the sum of its money and all other assets reduced (but not below zero) by such total indebtedness. For purposes of the preceding sentence—

(i) the amount taken into account with respect to any asset shall be the adjusted basis thereof for purposes of determining gain,

(ii) the amount taken into account with respect to any indebtedness with original issue discount shall be its issue price plus the portion of the original issue discount previously accrued as determined under the rules of section 1272 (determined without regard to subsection (a)(7) or (b)(4) thereof), and

(iii) there shall be such other adjustments as the Secretary may by regulations prescribe.

(3) Disqualified interest

For purposes of this subsection, the term ''disqualified interest'' means—

(A) any interest paid or accrued by the taxpayer (directly or indirectly) to a related person if no tax is imposed by this subtitle with respect to such interest,

(B) any interest paid or accrued by the taxpayer with respect to any indebtedness to a person who is not a related person if—

(i) there is a disqualified guarantee of such indebtedness, and

(ii) no gross basis tax is imposed by this subtitle with respect to such interest, and

(C) any interest paid or accrued (directly or indirectly) by a taxable REIT subsidiary (as defined in section 856(*l*)) of a real estate investment trust to such trust.

(4) Related person

For purposes of this subsection—

(A) In general

Except as provided in subparagraph (B), the term ''related person'' means any person who is related (within the meaning of section 267(b) or 707(b)(1)) to the taxpayer.

(B) Special rule for certain partnerships

(i) In general

Any interest paid or accrued to a partnership which (without regard to this subparagraph) is a related person shall not be treated as paid or accrued to a related person if less than 10 percent of the profits and capital interests in such partnership are held by persons with respect to whom no tax is imposed by this subtitle on such interest. The preceding sentence shall not apply to any interest allocable to any partner in such partnership who is a related person to the taxpayer.

(ii) Special rule where treaty reduction

If any treaty between the United States and any foreign country reduces the rate of tax imposed by this subtitle on a partner's share of any interest paid or accrued to a partnership, such partner's interests in such partnership shall, for purposes of clause (i), be treated as held in part by a tax-exempt person and in part by a taxable person under rules similar to the rules of paragraph (5)(B).

(5) Special rules for determining whether interest is subject to tax

(A) Treatment of pass-thru entities

In the case of any interest paid or accrued to a partnership, the determination of whether any tax is imposed by this subtitle on such interest shall be made at the partner level. Rules similar to the rules of the preceding sentence shall apply in the case of any pass-thru entity other than a partnership and in the case of tiered partnerships and other entities.

(B) Interest treated as tax-exempt to extent of treaty reduction

If any treaty between the United States and any foreign country reduces the rate of tax imposed by this subtitle on any interest paid or accrued by the taxpayer, such interest shall be treated as interest on which no tax is imposed by this subtitle to the extent of the same proportion of such interest as—

(i) the rate of tax imposed without regard to such treaty, reduced by the rate of tax imposed under the treaty, bears to

(ii) the rate of tax imposed without regard to the treaty.

(6) Other definitions and special rules

For purposes of this subsection—

(A) Adjusted taxable income

The term ''adjusted taxable income'' means the taxable income of the taxpayer—

(i) computed without regard to—

(II) the amount of any net operating loss deduction under section 172,

(III) any deduction allowable under section 199, and

(IV) any deduction allowable for depreciation, amortization, or depletion, and

(ii) computed with such other adjustments as the Secretary may by regulations prescribe.

(B) Net interest expense

The term ''net interest expense'' means the excess (if any) of—

(ii) the amount of interest includible in the gross income of such taxpayer for such taxable year.

The Secretary may by regulations provide for adjustments in determining the amount of net interest expense.

(C) Treatment of affiliated group

All members of the same affiliated group (within the meaning of section 1504(a)) shall be treated as 1 taxpayer.

(D) Disqualified guarantee

(i) In general

Except as provided in clause (ii), the term ''disqualified guarantee'' means any guarantee by a related person which is—

(I) an organization exempt from taxation under this subtitle, or

(II) a foreign person.

(ii) Exceptions

The term ''disqualified guarantee'' shall not include a guarantee—

(I) in any circumstances identified by the Secretary by regulation, where the interest on the indebtedness would have been subject to a net basis tax if the interest had been paid to the guarantor, or

(II) if the taxpayer owns a controlling interest in the guarantor.

For purposes of subclause (II), except as provided in regulations, the term ''a controlling interest'' means direct or indirect ownership of at least 80 percent of the total voting power and value of all classes of stock of a corporation, or 80 percent of the profit and capital interests in any other entity. For purposes of the preceding sentence, the rules of paragraphs (1) and (5) of section 267(c) shall apply; except that such rules shall also apply to interest in entities other than corporations.

(iii) Guarantee

Except as provided in regulations, the term ''guarantee'' includes any arrangement under which a person (directly or indirectly through an entity or otherwise) assures, on a conditional or unconditional basis, the payment of another person's obligation under any indebtedness.

(E) Gross basis and net basis taxation

(i) Gross basis tax

The term ''gross basis tax'' means any tax imposed by this subtitle which is determined by reference to the gross amount of any item of income without any reduction for any deduction allowed by this subtitle.

(ii) Net basis tax

The term ''net basis tax'' means any tax imposed by this subtitle which is not a gross basis tax.

(7) Coordination with passive loss rules, etc.

This subsection shall be applied before sections 465 and 469.

(8) Treatment of corporate partners

Except to the extent provided by regulations, in applying this subsection to a corporation which owns (directly or indirectly) an interest in a partnership—

(A) such corporation's distributive share of interest income paid or accrued to such partnership shall be treated as interest income paid or accrued to such corporation,

(B) such corporation's distributive share of interest paid or accrued by such partnership shall be treated as interest paid or accrued by such corporation, and

(C) such corporation's share of the liabilities of such partnership shall be treated as liabilities of such corporation.

(9) Regulations

The Secretary shall prescribe such regulations as may be appropriate to carry out the purposes of this subsection, including—

(A) such regulations as may be appropriate to prevent the avoidance of the purposes of this subsection,

(B) regulations providing such adjustments in the case of corporations which are members of an affiliated group as may be appropriate to carry out the purposes of this subsection,

(k) Section 6166 interest

***(l)* Disallowance of deduction on certain debt instruments of corporations**

(1) In general

No deduction shall be allowed under this chapter for any interest paid or accrued on a disqualified debt instrument.

(2) Disqualified debt instrument

For purposes of this subsection, the term ''disqualified debt instrument'' means any indebtedness of a corporation which is payable in equity of the issuer or a related party or equity held by the issuer (or any related party) in any other person.

(3) Special rules for amounts payable in equity

For purposes of paragraph (2), indebtedness shall be treated as payable in equity of the issuer or any other person only if—

(A) a substantial amount of the principal or interest is required to be paid or converted, or at the option of the issuer or a related party is payable in, or convertible into, such equity,

(B) a substantial amount of the principal or interest is required to be determined, or at the option of the issuer or a related party is determined, by reference to the value of such equity, or

(C) the indebtedness is part of an arrangement which is reasonably expected to result in a transaction described in subparagraph (A) or (B).

For purposes of this paragraph, principal or interest shall be treated as required to be so paid, converted, or determined if it may be required at the option of the holder or a related party and there is a substantial certainty the option will be exercised.

(4) Capitalization allowed with respect to equity of persons other than issuer and related parties

If the disqualified debt instrument of a corporation is payable in equity held by the issuer (or any related party) in any other person (other than a related party), the basis of such equity shall be increased by the amount not allowed as a deduction by reason of paragraph (1) with respect to the instrument.

(5) Exception for certain instruments issued by dealers in securities

For purposes of this subsection, the term ''disqualified debt instrument'' does not include indebtedness issued by a dealer in securities (or a related party) which is payable in, or by reference to, equity (other than equity of the issuer or a related party) held by such dealer in its capacity as a dealer in securities. For purposes of this paragraph, the term ''dealer in securities'' has the meaning given such term by section 475.

(6) Related party

For purposes of this subsection, a person is a related party with respect to another person if such person bears a relationship to such other person described in section 267(b) or 707(b).

(7) Regulations

The Secretary shall prescribe such regulations as may be necessary or appropriate to carry out the purposes of this subsection, including regulations preventing avoidance of this subsection through the use of an issuer other than a corporation.

(m) Interest on unpaid taxes attributable to nondisclosed reportable transactions

No deduction shall be allowed under this chapter for any interest paid or accrued under section 6601 on any underpayment of tax which is attributable to the portion of any reportable transaction understatement (as defined in section 6662A(b)) with respect to which the requirement of section 6664(d)(2)(A)[1] is not met.

§ 164. Taxes

(a) General rule

Except as otherwise provided in this section, the following taxes shall be allowed as a deduction for the taxable year within which paid or accrued:

(1) State and local, and foreign, real property taxes.

(2) State and local personal property taxes.

(3) State and local, and foreign, income, war profits, and excess profits taxes.

(4) The GST tax imposed on income distributions.

In addition, there shall be allowed as a deduction State and local, and foreign, taxes not described in the preceding sentence which are paid or accrued within the taxable year in carrying on a trade or business or an activity described in section 212 (relating to expenses for production of income). Notwithstanding the preceding sentence, any tax (not described in the first sentence of this subsection) which is paid or accrued by the taxpayer in connection with an acquisition or disposition of property shall be treated as part of the cost of the acquired property or, in the case of a disposition, as a reduction in the amount realized on the disposition.

(b) Definitions and special rules

For purposes of this section—

(1) Personal property taxes

The term ''personal property tax'' means an ad valorem tax which is imposed on an annual basis in respect of personal property.

(2) State or local taxes

A State or local tax includes only a tax imposed by a State, a possession of the United States, or a political subdivision of any of the foregoing, or by the District of Columbia.

(3) Foreign taxes

A foreign tax includes only a tax imposed by the authority of a foreign country.

(4) Special rules for GST tax

(A) In general

The GST tax imposed on income distributions is—

(i) the tax imposed by section 2601, and

(ii) any State tax described in section 2604 (as in effect before its repeal),

but only to the extent such tax is imposed on a transfer which is included in the gross income of the distributee and to which section 666 does not apply.

(B) Special rule for tax paid before due date

Any tax referred to in subparagraph (A) imposed with respect to a transfer occurring during the taxable year of the distributee (or, in the case of a taxable termination, the trust) which is paid not later than the time prescribed by law (including extensions) for filing the return with respect to such transfer shall be treated as having been paid on the last day of the taxable year in which the transfer was made.

(5) General sales taxes

For purposes of subsection (a)—

(A) Election to deduct State and local sales taxes in lieu of State and local income taxes

At the election of the taxpayer for the taxable year, subsection (a) shall be applied—

(i) without regard to the reference to State and local income taxes, and

(ii) as if State and local general sales taxes were referred to in a paragraph thereof.

(B) Definition of general sales tax

The term ''general sales tax'' means a tax imposed at one rate with respect to the sale at retail of a broad range of classes of items.

(C) Special rules for food, etc.

In the case of items of food, clothing, medical supplies, and motor vehicles—

(i) the fact that the tax does not apply with respect to some or all of such items shall not be taken into account in determining whether the tax applies with respect to a broad range of classes of items, and

(ii) the fact that the rate of tax applicable with respect to some or all of such items is lower than the general rate of tax shall not be taken into account in determining whether the tax is imposed at one rate.

(D) Items taxed at different rates

Except in the case of a lower rate of tax applicable with respect to an item described in subparagraph (C), no deduction shall be allowed under this paragraph for any general sales tax imposed with respect to an item at a rate other than the general rate of tax.

(E) Compensating use taxes

A compensating use tax with respect to an item shall be treated as a general sales tax. For purposes of the preceding sentence, the term ''compensating use tax'' means, with respect to any item, a tax which—

(i) is imposed on the use, storage, or consumption of such item, and

(ii) is complementary to a general sales tax, but only if a deduction is allowable under this paragraph with respect to items sold at retail in the taxing jurisdiction which are similar to such item.

(F) Special rule for motor vehicles

In the case of motor vehicles, if the rate of tax exceeds the general rate, such excess shall be disregarded and the general rate shall be treated as the rate of tax.

(G) Separately stated general sales taxes

If the amount of any general sales tax is separately stated, then, to the extent that

the amount so stated is paid by the consumer (other than in connection with the consumer's trade or business) to the seller, such amount shall be treated as a tax imposed on, and paid by, such consumer.

(H) Amount of deduction may be determined under tables

(i) In general

At the election of the taxpayer for the taxable year, the amount of the deduction allowed under this paragraph for such year shall be—

(I) the amount determined under this paragraph (without regard to this subparagraph) with respect to motor vehicles, boats, and other items specified by the Secretary, and

(II) the amount determined under tables prescribed by the Secretary with respect to items to which subclause (I) does not apply.

(ii) Requirements for tables

The tables prescribed under clause (i)—

(I) shall reflect the provisions of this paragraph,

(II) shall be based on the average consumption by taxpayers on a State-by-State basis (as determined by the Secretary) of items to which clause (i)(I) does not apply, taking into account filing status, number of dependents, adjusted gross income, and rates of State and local general sales taxation, and

(III) need only be determined with respect to adjusted gross incomes up to the applicable amount (as determined under section 68(b)).

(c) Deduction denied in case of certain taxes

No deduction shall be allowed for the following taxes:

(1) Taxes assessed against local benefits of a kind tending to increase the value of the property assessed; but this paragraph shall not prevent the deduction of so much of such taxes as is properly allocable to maintenance or interest charges.

(2) Taxes on real property, to the extent that subsection (d) requires such taxes to be treated as imposed on another taxpayer.

(d) Apportionment of taxes on real property between seller and purchaser

(1) General rule

For purposes of subsection (a), if real property is sold during any real property tax year, then—

(A) so much of the real property tax as is properly allocable to that part of such year which ends on the day before the date of the sale shall be treated as a tax imposed on the seller, and

(B) so much of such tax as is properly allocable to that part of such year which begins on the date of the sale shall be treated as a tax imposed on the purchaser.

(2) Special rules

(A) in the case of any sale of real property, if—

(i) a taxpayer may not, by reason of his method of accounting, deduct any amount for taxes unless paid, and

(ii) the other party to the sale is (under the law imposing the real property tax) liable for the real property tax for the real property tax year,

then for purposes of subsection (a) the taxpayer shall be treated as having paid, on the date of the sale, so much of such tax as, under paragraph (1) of this subsection, is treated as imposed on the taxpayer. For purposes of the preceding sentence, if neither party is liable for the tax, then the party holding the property at the time the tax becomes a lien on the property shall be considered liable for the real property tax for the real property tax year.

(B) In the case of any sale of real property, if the taxpayer's taxable income for the taxable year during which the sale occurs is computed under an accrual method of accounting, and if no election under section 461(c) (relating to the accrual of real property taxes) applies, then, for purposes of subsection (a), that portion of such tax which—

(i) is treated, under paragraph (1) of this subsection, as imposed on the taxpayer, and

(ii) may not, by reason of the taxpayer's method of accounting, be deducted by the taxpayer for any taxable year,

shall be treated as having accrued on the date of the sale.

(e) Taxes of shareholder paid by corporation

Where a corporation pays a tax imposed on a shareholder on his interest as a shareholder, and where the shareholder does not reimburse the corporation, then—

(1) the deduction allowed by subsection (a) shall be allowed to the corporation; and

(2) no deduction shall be allowed the shareholder for such tax.

(f) Deduction for one-half of self-employment taxes

(1) In general

In the case of an individual, in addition to the taxes described in subsection (a), there shall be allowed as a deduction for the taxable year an amount equal to one-half of the taxes imposed by section 1401 (other than the taxes imposed by section 1401(b)(2)) for such taxable year.

(2) Deduction treated as attributable to trade or business

For purposes of this chapter, the deduction allowed by paragraph (1) shall be treated as attributable to a trade or business carried on by the taxpayer which does not consist of the performance of services by the taxpayer as an employee.

Any loss of an individual described in subsection (c)(3) shall be allowed only to the extent that the amount of the loss to such individual arising from each casualty, or from each theft, exceeds $500 ($100 for taxable years beginning after December 31, 2009).

(2) Net casualty loss allowed only to the extent it exceeds 10 percent of adjusted gross income

(A) In general

(i) the amount of the personal casualty gains for the taxable year, plus

(ii) so much of such excess as exceeds 10 percent of the adjusted gross income of the individual.

(B) Special rule where personal casualty gains exceed personal casualty losses

If the personal casualty gains for any taxable year exceed the personal casualty losses for such taxable year—

(i) all such gains shall be treated as gains from sales or exchanges of capital assets, and

(ii) all such losses shall be treated as losses from sales or exchanges of capital assets.

(3) Definitions of personal casualty gain and personal casualty loss

For purposes of this subsection—

(B) Joint returns

For purposes of this subsection, a husband and wife making a joint return for the taxable year shall be treated as 1 individual.

(C) Determination of adjusted gross income in case of estates and trusts

For purposes of paragraph (2), the adjusted gross income of an estate or trust shall be computed in the same manner as in the case of an individual, except that the deductions for costs paid or incurred in connection with the administration of the estate or trust shall be treated as allowable in arriving at adjusted gross income.

(D) Coordination with estate tax

No loss described in subsection (c)(3) shall be allowed if, at the time of filing the return, such loss has been claimed for estate tax purposes in the estate tax return.

(E) Claim required to be filed in certain cases

Any loss of an individual described in subsection (c)(3) to the extent covered by insurance shall be taken into account under this section only if the individual files a timely insurance claim with respect to such loss.

(i) Disaster losses

(1) Election to take deduction for preceding year

Notwithstanding the provisions of subsection (a), any loss occurring in a disaster area and attributable to a federally declared disaster may, at the election of the taxpayer, be taken into account for the taxable year immediately preceding the taxable year in which the disaster occurred.

(2) Year of loss

If an election is made under this subsection, the casualty resulting in the loss shall be treated for purposes of this title as having occurred in the taxable year for which the deduction is claimed.

(3) Amount of loss

The amount of the loss taken into account in the preceding taxable year by reason of paragraph (1) shall not exceed the uncompensated amount determined on the basis of the facts existing at the date the taxpayer claims the loss.

(4) Use of disaster loan appraisals to establish amount of loss

Nothing in this title shall be construed to prohibit the Secretary from prescribing regulations or other guidance under which an appraisal for the purpose of obtaining a loan of Federal funds or a loan guarantee from the Federal Government as a result of a federally declared disaster may be used to establish the amount of any loss described in paragraph (1) or (2).

(5) Federally declared disasters

(A) Registration-required obligation

The term ''registration-required obligation'' has the meaning given to such term by section 163(f)(2).

(B) such person holds such obligations as a broker dealer (registered under Federal or State law) for sale to customers in the ordinary course of his trade or business,

(C) such person complies with reporting requirements with respect to ownership, transfers, and payments as the Secretary may require, or

but only if such obligations are held under arrangements provided in regulations or otherwise which are designed to assure that such obligations are not delivered to any United States person other than a person described in subparagraph (A), (B), or (C).

(k) Treatment as disaster loss where taxpayer ordered to demolish or relocate residence in disaster area because of disaster

In the case of a taxpayer whose residence is located in an area which has been determined by the President of the United States to warrant assistance by the Federal Government under the Robert T. Stafford Disaster Relief and Emergency Assistance Act, if—

(1) not later than the 120th day after the date of such determination, the taxpayer is ordered, by the government of the State or any political subdivision thereof in which such residence is located, to demolish or relocate such residence, and

If—

(A) as of the close of the taxable year, it can reasonably be estimated that there is a loss on a qualified individual's deposit in a qualified financial institution, and

(ii) Dollar limitation

With respect to each financial institution, the aggregate amount of losses attributable to deposits in such financial institution to which an election under subparagraph (A) may be made by the taxpayer for any taxable year shall not exceed $20,000 ($10,000 in the case of a separate return by a married individual). The limitation of the preceding sentence shall be reduced by the amount of any insurance proceeds under any State law which can reasonably be expected to be received with respect to losses on deposits in such institution.

(6) Election

Any election by the taxpayer under this subsection for any taxable year—

(A) shall apply to all losses for such taxable year of the taxpayer on deposits in the institution with respect to which such election was made, and

''(3) who elects (at such time and in such manner as the Secretary of the Treasury or his delegate may by regulations prescribe) to take the benefits of this section.

''(b) EFFECT OF ELECTION.—In the case of any individual to whom this section applies—

''(1) the tax imposed by chapter 1 of the Internal Revenue Code of 1986 for the taxable year in which the income taken into account is received or accrued which is attributable to such income shall not exceed the additional tax under such chapter which would have been payable for the year in which the deduction for the loss was taken if such deduction had not been taken for such year,

''(2) any amount of tax imposed by chapter 1 attributable to the income taken into account which, on October 1, 1975, was unpaid may be paid in 3 equal annual installments (with the first such installment due and payable on April 15, 1977), and

''(3) no interest on any deficiency shall be payable for any period before April 16, 1977, to the extent such deficiency is attributable to the receipt of such compensation, and no interest on any installment referred to in paragraph (2) shall be payable for any period before the due date of such installment.

''(c) INCOME TAKEN INTO ACCOUNT.—For purposes of this section, the income taken into account is—

''(1) in the case of an individual described in subsection (a)(2)(A), the amount of income (not in excess of $5,000) attributable to the cancellation of a disaster loan under section 7 of the Small Business Act or an emergency loan under subtitle C of the Consolidated Farm and Rural Development Act received by reason of the disaster described in subsection (a)(1), or

''(2) in the case of an individual described in subsection (a)(2)(B), the amount of compensation (not in excess of $5,000) for the loss in settlement of any claim of the taxpayer against a person for that person's liability in tort for the damage or destruction of that taxpayer's property in connection with the disaster described in subsection (a)(1).

''(d) PHASEOUT WHERE ADJUSTED GROSS INCOME EXCEEDS $15,000.—If for the taxable year for which the deduction for the loss was taken the individual's adjusted gross income exceeded $15,000, the $5,000 limit set forth in paragraph (1) or (2) of subsection (c) (whichever applies) shall be reduced by one dollar for each full dollar that such adjusted gross income exceeds $15,000. In the case of a married individual filing a separate return, the preceding sentence shall be applied by substituting '$7,500' for '$15,000'.

''(e) STATUTE OF LIMITATIONS.—If refund or credit of any overpayment of income tax resulting from an election made under this section is prevented on the date of the enactment of this Act [Oct. 4, 1976], or at any time within one year after such date, by the operation of any law, or rule of law, refund or credit of such overpayment (to the extent attributable to such election) may, nevertheless, be made or allowed if claim therefor is filed within one year after such date. If the taxpayer makes an election under this section and if assessment of any deficiency for any taxable year resulting from such election is prevented on the date of the enactment of this Act [Oct. 4, 1976], or at any time within one year after such date, by the operation of any law or rule of law, such assessment (to the extent attributable to

such election) may, nevertheless, be made if made within one year after such date.''

§ 167. Depreciation

(a) General rule

There shall be allowed as a depreciation deduction a reasonable allowance for the exhaustion, wear and tear (including a reasonable allowance for obsolescence)—

(1) of property used in the trade or business, or

(2) of property held for the production of income.

(b) Cross reference

For determination of depreciation deduction in case of property to which section 168 applies, see section 168.

(c) Basis for depreciation

(1) In general

The basis on which exhaustion, wear and tear, and obsolescence are to be allowed in respect of any property shall be the adjusted basis provided in section 1011, for the purpose of determining the gain on the sale or other disposition of such property.

(2) Special rule for property subject to lease

If any property is acquired subject to a lease—

(A) no portion of the adjusted basis shall be allocated to the leasehold interest, and

(B) the entire adjusted basis shall be taken into account in determining the depreciation deduction (if any) with respect to the property subject to the lease.

(d) Life tenants and beneficiaries of trusts and estates

In the case of property held by one person for life with remainder to another person, the deduction shall be computed as if the life tenant were the absolute owner of the property and

shall be allowed to the life tenant. In the case of property held in trust, the allowable deduction shall be apportioned between the income beneficiaries and the trustee in accordance with the pertinent provisions of the instrument creating the trust, or, in the absence of such provisions, on the basis of the trust income allocable to each. In the case of an estate, the allowable deduction shall be apportioned between the estate and the heirs, legatees, and devisees on the basis of the income of the estate allocable to each.

(e) Certain term interests not depreciable

(1) In general

No depreciation deduction shall be allowed under this section (and no depreciation or amortization deduction shall be allowed under any other provision of this subtitle) to the taxpayer for any term interest in property for any period during which the remainder interest in such property is held (directly or indirectly) by a related person.

(2) Coordination with other provisions

(A) Section 273

This subsection shall not apply to any term interest to which section 273 applies.

(B) Section 305(e)

This subsection shall not apply to the holder of the dividend rights which were separated from any stripped preferred stock to which section 305(e)(1) applies.

(3) Basis adjustments

If, but for this subsection, a depreciation or amortization deduction would be allowable to the taxpayer with respect to any term interest in property—

(A) the taxpayer's basis in such property shall be reduced by any depreciation or amortization deductions disallowed under this subsection, and

(B) the basis of the remainder interest in such property shall be increased by the amount of such disallowed deductions (properly adjusted for any depreciation deductions allowable under subsection (d) to the taxpayer).

(4) Special rules

(A) Denial of increase in basis of remainderman

No increase in the basis of the remainder interest shall be made under paragraph (3)(B) for any disallowed deductions attributable to periods during which the term interest was held—

(i) by an organization exempt from tax under this subtitle, or

(ii) by a nonresident alien individual or foreign corporation but only if income from the term interest is not effectively connected with the conduct of a trade or business in the United States.

(B) Coordination with subsection (d)

If, but for this subsection, a depreciation or amortization deduction would be allowable to any person with respect to any term interest in property, the principles of subsection (d) shall apply to such person with respect to such term interest.

(5) Definitions

For purposes of this subsection—

(A) Term interest in property

The term ''term interest in property'' has the meaning given such term by section 1001(e)(2).

(B) Related person

The term ''related person'' means any person bearing a relationship to the taxpayer described in subsection (b) or (e) of section 267.

(6) Regulations

The Secretary shall prescribe such regulations as may be necessary to carry out the purposes of this subsection, including regulations preventing avoidance of this subsection through cross-ownership arrangements or otherwise.

(f) Treatment of certain property excluded from section 197

(1) Computer software

(A) In general

If a depreciation deduction is allowable under subsection (a) with respect to any computer software, such deduction shall be computed by using the straight line method and a useful life of 36 months.

(B) Computer software

For purposes of this section, the term ''computer software'' has the meaning given to such term by section 197(e)(3)(B); except that such term shall not include any such software which is an amortizable section 197 intangible.

(C) Tax-exempt use property subject to lease

In the case of computer software which would be tax-exempt use property as defined in subsection (h) of section 168 if such section applied to computer software, the useful life under subparagraph (A) shall not be less than 125 percent of the lease term (within the meaning of section 168(i)(3)).

(2) Certain interests or rights acquired separately

If a depreciation deduction is allowable under subsection (a) with respect to any property described in subparagraph (B), (C), or (D) of section 197(e)(4), such deduction shall be computed in accordance with regulations prescribed by the Secretary. If such property would be tax-exempt use property as defined in subsection (h) of section 168 if such section applied to such property, the useful life under such regulations shall not be less than 125 percent of the lease term (within the meaning of section 168(i)(3)).

(3) Mortgage servicing rights

If a depreciation deduction is allowable under subsection (a) with respect to any right described in section 197(e)(6), such deduction shall be computed by using the straight line method and a useful life of 108 months.

(g) Depreciation under income forecast method

(1) In general

If the depreciation deduction allowable under this section to any taxpayer with re-

spect to any property is determined under the income forecast method or any similar method—

(A) the income from the property to be taken into account in determining the depreciation deduction under such method shall be equal to the amount of income earned in connection with the property before the close of the 10th taxable year following the taxable year in which the property was placed in service,

(B) the adjusted basis of the property shall only include amounts with respect to which the requirements of section 461(h) are satisfied,

(C) the depreciation deduction under such method for the 10th taxable year beginning after the taxable year in which the property was placed in service shall be equal to the adjusted basis of such property as of the beginning of such 10th taxable year, and

(D) such taxpayer shall pay (or be entitled to receive) interest computed under the look-back method of paragraph (2) for any recomputation year.

(2) Look-back method

The interest computed under the look-back method of this paragraph for any recomputation year shall be determined by—

(A) first determining the depreciation deductions under this section with respect to such property which would have been allowable for prior taxable years if the determination of the amounts so allowable had been made on the basis of the sum of the following (instead of the estimated income from such property)—

(i) the actual income earned in connection with such property for periods before the close of the recomputation year, and

(ii) an estimate of the future income to be earned in connection with such property for periods after the recomputation year and before the close of the 10th taxable year following the taxable year in which the property was placed in service,

(B) second, determining (solely for purposes of computing such interest) the overpayment or underpayment of tax for each such prior taxable year which would result solely from the application of subparagraph (A), and

(C) then using the adjusted overpayment rate (as defined in section 460(b)(7)), compounded daily, on the overpayment or underpayment determined under subparagraph (B).

For purposes of the preceding sentence, any cost incurred after the property is placed in service (which is not treated as a separate property under paragraph (5)) shall be taken into account by discounting (using the Federal mid-term rate determined under section 1274(d) as of the time such cost is incurred) such cost to its value as of the date the property is placed in service. The taxpayer may elect with respect to any property to have the preceding sentence not apply to such property.

(3) Exception from look-back method

Paragraph (1)(D) shall not apply with respect to any property which had a cost basis of $100,000 or less.

(4) Recomputation year

For purposes of this subsection, except as provided in regulations, the term ''recomputation year'' means, with respect to any property, the 3d and the 10th taxable years beginning after the taxable year in which the property was placed in service, unless the actual income earned in connection with the property for the period before the close of such 3d or 10th taxable year is within 10 percent of the income earned in connection with the property for such period which was taken into account under paragraph (1)(A).

(5) Special rules

(A) Certain costs treated as separate property

For purposes of this subsection, the following costs shall be treated as separate properties:

(i) Any costs incurred with respect to any property after the 10th taxable year beginning after the taxable year in which the property was placed in service.

(ii) Any costs incurred after the property is placed in service and before the close of such 10th taxable year if such costs are significant and give rise to a significant increase in the income from the property which was not included in the estimated income from the property.

(B) Syndication income from television series

In the case of property which is 1 or more episodes in a television series, income from syndicating such series shall not be required to be taken into account under this subsection before the earlier of—

(i) the 4th taxable year beginning after the date the first episode in such series is placed in service, or

(ii) the earliest taxable year in which the taxpayer has an arrangement relating to the future syndication of such series.

(C) Special rules for financial exploitation of characters, etc.

For purposes of this subsection, in the case of television and motion picture films, the income from the property shall include income from the exploitation of characters, designs, scripts, scores, and other incidental income associated with such films, but only to the extent that such income is earned in connection with the ultimate use of such items by, or the ultimate sale of merchandise to, persons who are not related persons (within the meaning of section 267(b)) to the taxpayer.

(D) Collection of interest

For purposes of subtitle F (other than sections 6654 and 6655), any interest required to be paid by the taxpayer under paragraph (1) for any recomputation year shall be treated as an increase in the tax imposed by this chapter for such year.

(E) Treatment of distribution costs

For purposes of this subsection, the income with respect to any property shall be the taxpayer's gross income from such property.

(F) Determinations

For purposes of paragraph (2), determinations of the amount of income earned in connection with any property shall be made in the same manner as for purposes of applying the income forecast method; except that any income from the disposition of such property shall be taken into account.

(G) Treatment of pass-thru entities

Rules similar to the rules of section 460(b)(4) shall apply for purposes of this subsection.

(6) Limitation on property for which income forecast method may be used

The depreciation deduction allowable under this section may be determined under the income forecast method or any similar method only with respect to—

(A) property described in paragraph (3) or (4) of section 168(f),

(B) copyrights,

(C) books,

(D) patents, and

(E) other property specified in regulations.

Such methods may not be used with respect to any amortizable section 197 intangible (as defined in section 197(c)).

(7) Treatment of participations and residuals

(A) In general

For purposes of determining the depreciation deduction allowable with respect to a property under this subsection, the taxpayer may include participations and residuals with respect to such property in the adjusted basis of such property for the taxable year in which the property is placed in service, but only to the extent that such participations and residuals relate to income estimated (for purposes of this subsection) to be earned in connection with the property before the close of the 10th taxable year referred to in paragraph (1)(A).

(B) Participations and residuals

For purposes of this paragraph, the term ''participations and residuals'' means, with respect to any property, costs the amount of which by contract varies with the amount of income earned in connection with such property.

(C) Special rules relating to recomputation years

If the adjusted basis of any property is determined under this paragraph, paragraph (4) shall be applied by substituting ''for each taxable year in such period'' for ''for such period''.

(D) Other special rules

(i) Participations and residuals

Notwithstanding subparagraph (A), the taxpayer may exclude participations and residuals from the adjusted basis of such property and deduct such participations and residuals in the taxable year that such participations and residuals are paid.

''(2) SPECIAL RULES FOR AGREEMENTS EXECUTED BEFORE JANUARY 1, 1982.—

''(A) IN GENERAL.—In the case of an agreement executed before January 1, 1982, such agreement shall cease on February 1, 1982, to be treated as a lease under section 168(f)(8) unless a return, signed by the lessor and containing the information required to be included in subsection (b), has been filed with the Internal Revenue Service not later than January 31, 1982.

''(B) FILING BY LESSEE.—If the lessor does not file a return under subparagraph (A), the return requirement under subparagraph (A) shall be satisfied if such return is filed by the lessee before January 31, 1982.

Paragraph (8) shall not apply with respect to any person for any calendar year if it is reasonable to estimate that the aggregate adjusted basis of the property of such person which will be subject to subsection (a) for such year is $1,000,000 or less.

''(c) COORDINATION WITH OTHER INFORMATION REQUIREMENTS.—In the case of agreements executed after December 31, 1982, to the extent provided in regulations prescribed by the Secretary of the Treasury or his delegate, the provisions of this section shall be modified to coordinate such provisions with the other information requirements of the Internal Revenue Code of 1986.''

§ 169. Amortization of pollution control facilities

(a) Allowance of deduction

Every person, at his election, shall be entitled to a deduction with respect to the amortization of the amortizable basis of any certified pollution control facility (as defined in subsection (d)), based on a period of 60 months. Such amortization deduction shall be an amount, with respect to each month of such period within the taxable year, equal to the amortizable basis of the pollution control facility at the end of such month divided by the number of months (including the month for which the deduction is computed) remaining in the period. Such amortizable basis at the end of the month shall be computed without regard to the amortization deduction for such month. The amortization deduction provided by this section with respect to any month shall be in lieu of the depreciation deduction with respect to such pollution control facility for such month provided by section 167. The 60-month period shall begin, as to any pollution control facility, at the election of the taxpayer, with the month following the month in which

such facility was completed or acquired, or with the succeeding taxable year.

(b) Election of amortization

The election of the taxpayer to take the amortization deduction and to begin the 60-month period with the month following the month in which the facility is completed or acquired, or with the taxable year succeeding the taxable year in which such facility is completed or acquired, shall be made by filing with the Secretary, in such manner, in such form, and within such time, as the Secretary may by regulations prescribe, a statement of such election.

(c) Termination of amortization deduction

A taxpayer which has elected under subsection (b) to take the amortization deduction provided in subsection (a) may, at any time after making such election, discontinue the amortization deduction with respect to the remainder of the amortization period, such discontinuance to begin as of the beginning of any month specified by the taxpayer in a notice in writing filed with the Secretary before the beginning of such month. The depreciation deduction provided under section 167 shall be allowed, beginning with the first month as to which the amortization deduction does not apply, and the taxpayer shall not be entitled to any further amortization deduction under this section with respect to such pollution control facility.

(d) Definitions and special rules

For purposes of this section—

(1) Certified pollution control facility

The term ''certified pollution control facility'' means a new identifiable treatment facility which is used, in connection with a plant or other property in operation before January 1, 1976, to abate or control water or atmospheric pollution or contamination by removing, altering, disposing, storing, or preventing the creation or omission of pollutants, contaminants, wastes, or heat and which—

(A) the State certifying authority having jurisdiction with respect to such facility has certified to the Federal certifying authority as having been constructed, reconstructed, erected, or acquired in conformity with the State program or requirements for abatement or control of water or atmospheric pollution or contamination;

(B) the Federal certifying authority has certified to the Secretary (i) as being in compliance with the applicable regulations of Federal agencies and (ii) as being in furtherance of the general policy of the United States for cooperation with the States in the prevention and abatement of water pollution under the Federal Water Pollution Control Act, as amended (33 U.S.C. 466 et seq.), or in the prevention and abatement of atmospheric pollution and contamination under the Clean Air Act, as amended (42 U.S.C. 1857 et seq.); and

(C) does not significantly—

(i) increase the output or capacity, extend the useful life, or reduce the total operating costs of such plant or other property (or any unit thereof), or

(ii) alter the nature of the manufacturing or production process or facility.

(2) State certifying authority

The term ''State certifying authority'' means, in the case of water pollution, the State water pollution control agency as defined in section 13(a) of the Federal Water Pollution Control Act and, in the case of air pollution, the air pollution control agency as defined in section 302(b) of the Clean Air Act. The term ''State certifying authority'' includes any interstate agency authorized to act in place of a certifying authority of the State.

(3) Federal certifying authority

The term ''Federal certifying authority'' means, in the case of water pollution, the Secretary of the Interior and, in the case of air pollution, the Secretary of Health and Human Services.

(4) New identifiable treatment facility

(A) In general

For purposes of paragraph (1), the term ''new identifiable treatment facility'' includes only tangible property (not including a building and its structural components, other than a building which is exclusively a treatment facility) which is of a character subject to the allowance for depreciation provided in section 167, which is identifiable as a treatment facility, and which is property—

(i) the construction, reconstruction, or erection of which is completed by the taxpayer after December 31, 1968, or

(ii) acquired after December 31, 1968, if the original use of the property commences with the taxpayer and commences after such date.

In applying this section in the case of property described in clause (i) there shall be taken into account only that portion of the basis which is properly attributable to construction, reconstruction, or erection after December 31, 1968.

(B) Certain facilities placed in operation after April 11, 2005

In the case of any facility described in paragraph (1) solely by reason of paragraph (5), subparagraph (A) shall be applied by substituting ''April 11, 2005'' for ''December 31, 1968'' each place it appears therein.

(5) Special rule relating to certain atmospheric pollution control facilities

In the case of any atmospheric pollution control facility which is placed in service after April 11, 2005, and used in connection with an electric generation plant or other property which is primarily coal fired—

(A) paragraph (1) shall be applied without regard to the phrase ''in operation before January 1, 1976'', and

(B) in the case of facility[1] placed in service in connection with a plant or other property placed in operation after December 31, 1975, this section shall be applied by substituting

[1] So in original. Probably should be ''a facility''.

''84'' for ''60'' each place it appears in subsections (a) and (b).

(e) Profitmaking abatement works, etc.

The Federal certifying authority shall not certify any property under subsection (d)(1)(B) to the extent it appears that by reason of profits derived through the recovery of wastes or otherwise in the operation of such property, its costs will be recovered over its actual useful life.

(f) Amortizable basis

(1) Defined

For purposes of this section, the term ''amortizable basis'' means that portion of the adjusted basis (for determining gain) of a certified pollution control facility which may be amortized under this section.

(2) Special rules

(A) If a certified pollution control facility has a useful life (determined as of the first day of the first month for which a deduction is allowable under this section) in excess of 15 years, the amortizable basis of such facility shall be equal to an amount which bears the same ratio to the portion of the adjusted basis of such facility, which would be eligible for amortization but for the application of this subparagraph, as 15 bears to the number of years of useful life of such facility.

(B) The amortizable basis of a certified pollution control facility with respect to which an election under this section is in effect shall not be increased, for purposes of this section, for additions or improvements after the amortization period has begun.

(g) Depreciation deduction

The depreciation deduction provided by section 167 shall, despite the provisions of subsection (a), be allowed with respect to the portion of the adjusted basis which is not the amortizable basis.

[(h) Repealed. Pub. L. 92–178, title I, § 104(f)(2), Dec. 10, 1971, 85 Stat. 502]

(i) Life tenant and remainderman

In the case of property held by one person for life with remainder to another person, the deduction under this section shall be computed as if the life tenant were the absolute owner of the property and shall be allowable to the life tenant.

(j) Cross reference

For special rule with respect to certain gain derived from the disposition of property the adjusted basis of which is determined with regard to this section, see section 1245.

(2) Corporations on accrual basis

(A) the board of directors authorizes a charitable contribution during any taxable year, and

(B) payment of such contribution is made after the close of such taxable year and on or before the 15th day of the fourth month following the close of such taxable year,

then the taxpayer may elect to treat such contribution as paid during such taxable year. The election may be made only at the time of the filing of the return for such taxable year, and shall be signified in such manner as the Secretary shall by regulations prescribe.

(3) Future interests in tangible personal property

For purposes of this section, payment of a charitable contribution which consists of a future interest in tangible personal property shall be treated as made only when all intervening interests in, and rights to the actual possession or enjoyment of, the property have expired or are held by persons other than the taxpayer or those standing in a relationship to the taxpayer described in section 267(b) or 707(b). For purposes of the preceding sentence, a fixture which is intended to be severed from the real property shall be treated as tangible personal property.

(b) Percentage limitations

(1) Individuals

In the case of an individual, the deduction provided in subsection (a) shall be limited as provided in the succeeding subparagraphs.

(A) General rule

(iv) an organization which normally receives a substantial part of its support (exclusive of income received in the exercise or performance by such organization of its charitable, educational, or other purpose or function constituting the basis for its exemption under section 501(a)) from the United States or any State or political subdivision thereof or from direct or indirect contributions from the general public, and which is organized and operated exclusively to receive, hold, invest, and administer property and to make expenditures to or for the benefit of a college or university which is an organization referred to in clause (ii) of this subparagraph and which is an agency or instrumentality of a State or political subdivision thereof, or which is owned or operated by a State or political subdivision thereof or by an agency or instrumentality of one or more States or political subdivisions,

(v) a governmental unit referred to in subsection (c)(1),

(vi) an organization referred to in subsection (c)(2) which normally receives a substantial part of its support (exclusive of income received in the exercise or performance by such organization of its charitable, educational, or other purpose or function constituting the basis for its exemption under section 501(a)) from a governmental unit referred to in subsection (c)(1) or from direct or indirect contributions from the general public,

(vii) a private foundation described in subparagraph (F),

shall be allowed to the extent that the aggregate of such contributions does not exceed 50 percent of the taxpayer's contribution base for the taxable year.

(B) Other contributions

Any charitable contribution other than a charitable contribution to which subparagraph (A) applies shall be allowed to the extent that the aggregate of such contributions does not exceed the lesser of—

(i) 30 percent of the taxpayer's contribution base for the taxable year, or

(ii) the excess of 50 percent of the taxpayer's contribution base for the taxable year over the amount of charitable contributions allowable under subparagraph (A) (determined without regard to subparagraph (C)).

If the aggregate of such contributions exceeds the limitation of the preceding sentence, such excess shall be treated (in a manner consistent with the rules of subsection (d)(1)) as a charitable contribution (to which subparagraph (A) does not apply) in each of the 5 succeeding taxable years in order of time.

(C) Special limitation with respect to contributions described in subparagraph (A) of certain capital gain property

(i) In the case of charitable contributions described in subparagraph (A) of capital gain property to which subsection (e)(1)(B) does not apply, the total amount of contributions of such property which may be taken into account under subsection (a) for any taxable year shall not exceed 30 percent of the taxpayer's contribution base for such year. If such an election is made, clauses (i) and (ii) shall not apply to contributions of capital gain property made during the taxable year, and, in applying subsection (d)(1) for such taxable year with respect to contributions of capital gain property made in any prior contribution year for which an election was not made under this clause, such contributions shall be reduced as if subsection (e)(1) had applied to such contributions in the year in which made.

(iv) For purposes of this paragraph, the term ''capital gain property'' means, with respect to any contribution, any capital asset the sale of which at its fair market value at the time of the contribution would have resulted in gain which would have been long-term capital gain. For purposes of the preceding sentence, any property which is property used in the trade or business (as defined in section 1231(b)) shall be treated as a capital asset.

(D) Special limitation with respect to contributions of capital gain property to organizations not described in subparagraph (A)

For purposes of this subsection, contributions of capital gain property to which this subparagraph applies shall be taken into account after all other charitable contributions.

(ii) Carryover

If the aggregate amount of contributions described in clause (i) exceeds the limitation of clause (i), such excess shall be treated (in a manner consistent with the rules of subsection (d)(1)) as a charitable contribution of capital gain property to which clause (i) applies in each of the 5 succeeding taxable years in order of time.

(iii) Coordination with other subparagraphs

For purposes of applying this subsection and subsection (d)(1), contributions described in clause (i) shall not be treated as described in subparagraph (A), (B), (C), or (D) and such subparagraphs shall apply without regard to such contributions.

(iv) Special rule for contribution of property used in agriculture or livestock production

(I) In general

If the individual is a qualified farmer or rancher for the taxable year for which the contribution is made, clause (i) shall be applied by substituting ''100 percent'' for ''50 percent''.

(II) Exception

(i) a private operating foundation (as defined in section 4942(j)(3)),

(ii) any other private foundation (as defined in section 509(a)) which, not later than the 15th day of the third month after the close of the foundation's taxable year in which contributions are received, makes qualifying distributions (as defined in section 4942(g), without regard to paragraph (3) thereof), which are treated, after the application of section 4942(g)(3), as distributions out of corpus (in accordance with section 4942(h)) in an amount equal to 100 percent of such contributions, and with respect to which the taxpayer obtains adequate records or other sufficient evidence from the foundation showing that the foundation made such qualifying distributions, and

(iii) a private foundation all of the contributions to which are pooled in a common fund and which would be described in section 509(a)(3) but for the right of any substantial contributor (hereafter in this clause called ''donor'') or his spouse to designate annually the recipients, from among organizations described in paragraph (1) of section 509(a), of the income attributable to the donor's contribution to the fund and to direct (by deed or by will) the payment, to an organization described in such paragraph (1), of the corpus in the common fund attributable to the donor's contribution; but this clause shall apply only if all of the income of the common fund is required to be (and is) distributed to one or more organizations described in such paragraph (1) not later than the 15th day of the third month after the close of the taxable year in which the income is realized by the fund and only if all of the corpus attributable to any donor's contribution to the fund is required to be (and is) distributed to one or more of such organizations not later than one year after his death or after the death of his surviving spouse if she has the right to designate the recipients of such corpus.

(2) Corporations

In the case of a corporation—

(A) In general

The total deductions under subsection (a) for any taxable year (other than for contributions to which subparagraph (B) or (C) applies) shall not exceed 10 percent of the taxpayer's taxable income.

(B) Qualified conservation contributions by certain corporate farmers and ranchers

(i) In general

Any qualified conservation contribution (as defined in subsection (h)(1))—

(I) which is made by a corporation which, for the taxable year during which the contribution is made, is a qualified farmer or rancher (as defined in paragraph (1)(E)(v)) and the stock of which is not readily tradable on an established securities market at any time during such year, and

(II) which, in the case of contributions made after the date of the enactment of this subparagraph, is a contribution of property which is used in agriculture or

livestock production (or available for such production) and which is subject to a restriction that such property remain available for such production,

shall be allowed to the extent the aggregate of such contributions does not exceed the excess of the taxpayer's taxable income over the amount of charitable contributions allowable under subparagraph (A).

(ii) Carryover

If the aggregate amount of contributions described in clause (i) exceeds the limitation of clause (i), such excess shall be treated (in a manner consistent with the rules of subsection (d)(2)) as a charitable contribution to which clause (i) applies in each of the 15 succeeding taxable years in order of time.

(C) Qualified conservation contributions by certain native corporations

(iii) Native corporation

For purposes of this subparagraph, the term ''Native Corporation'' has the meaning given such term by section 3(m) of the Alaska Native Claims Settlement Act.

(D) Taxable income

For purposes of this paragraph, taxable income shall be computed without regard to—

(ii) part VIII (except section 248),

(iii) any net operating loss carryback to the taxable year under section 172,

(iv) section 199, and

(v) any capital loss carryback to the taxable year under section 1212(a)(1).

(c) Charitable contribution defined

For purposes of this section, the term ''charitable contribution'' means a contribution or gift to or for the use of—

(2) A corporation, trust, or community chest, fund, or foundation—

(A) created or organized in the United States or in any possession thereof, or under the law of the United States, any State, the District of Columbia, or any possession of the United States;

A contribution or gift by a corporation to a trust, chest, fund, or foundation shall be deductible by reason of this paragraph only if it is to be used within the United States or any of its possessions exclusively for purposes specified in subparagraph (B). Rules similar to the rules of section 501(j) shall apply for purposes of this paragraph.

(3) A post or organization of war veterans, or an auxiliary unit or society of, or trust or foundation for, any such post or organization—

(d) Carryovers of excess contributions

(1) Individuals

(A) In general

In the case of an individual, if the amount of charitable contributions described in subsection (b)(1)(A) payment of which is made within a taxable year (hereinafter in this paragraph referred to as the ''contribution year'') exceeds 50 percent of the taxpayer's contribution base for such year, such excess shall be treated as a charitable contribution described in subsection (b)(1)(A) paid in each of the 5 succeeding taxable years in order of time, but, with respect to any such succeeding taxable year, only to the extent of the lesser of the two following amounts:

(i) the amount by which 50 percent of the taxpayer's contribution base for such succeeding taxable year exceeds the sum of the charitable contributions described in subsection (b)(1)(A) payment of which is made by the taxpayer within such succeeding taxable year (determined without regard to this subparagraph) and the charitable contributions described in subsection (b)(1)(A) payment of which was made in taxable years before the contribution year which are treated under this subparagraph as having been paid in such succeeding taxable year; or

(ii) in the case of the first succeeding taxable year, the amount of such excess, and in the case of the second, third, fourth, or fifth succeeding taxable year, the portion of such excess not treated under this subparagraph as a charitable contribution described in subsection (b)(1)(A) paid in any taxable year intervening between the contribution year and such succeeding taxable year.

(B) Special rule for net operating loss carryovers

In applying subparagraph (A), the excess determined under subparagraph (A) for the contribution year shall be reduced to the extent that such excess reduces taxable income (as computed for purposes of the second sentence of section 172(b)(2)) and increases the net operating loss deduction for a taxable year succeeding the contribution year.

(2) Corporations

(A) In general

Any contribution made by a corporation in a taxable year (hereinafter in this paragraph referred to as the ''contribution year'') in excess of the amount deductible for such year under subsection (b)(2)(A) shall be deductible for each of the 5 succeeding taxable years in order of time, but only to the extent of the lesser of the two following amounts: (i) the excess of the maximum amount deductible for such succeeding taxable year under subsection (b)(2)(A) over the sum of the contributions made in such year plus the aggregate of the excess contributions which were made in taxable years before the contribution year and which are deductible under this subparagraph for such succeeding taxable year; or (ii) in the case of the first succeeding taxable year, the amount of such excess contribution, and in the case of the second, third, fourth, or fifth succeeding taxable year, the portion of such excess contribution not deductible under this subparagraph for any taxable year intervening between the contribution year and such succeeding taxable year.

(B) Special rule for net operating loss carryovers

For purposes of subparagraph (A), the excess of—

(i) the contributions made by a corporation in a taxable year to which this section applies, over

(ii) the amount deductible in such year under the limitation in subsection (b)(2)(A),

shall be reduced to the extent that such excess reduces taxable income (as computed for purposes of the second sentence of section 172(b)(2)) and increases a net operating loss carryover under section 172 to a succeeding taxable year.

(e) Certain contributions of ordinary income and capital gain property

(1) General rule

The amount of any charitable contribution of property otherwise taken into account under this section shall be reduced by the sum of—

(A) the amount of gain which would not have been long-term capital gain (determined without regard to section 1221(b)(3)) if the property contributed had been sold by the taxpayer at its fair market value (determined at the time of such contribution), and

(B) in the case of a charitable contribution—

(i) of tangible personal property—

(I) if the use by the donee is unrelated to the purpose or function constituting the basis for its exemption under section 501 (or, in the case of a governmental unit, to any purpose or function described in subsection (c)), or

(II) which is applicable property (as defined in paragraph (7)(C), but without regard to clause (ii) thereof) which is sold, exchanged, or otherwise disposed of by the donee before the last day of the taxable year in which the contribution was made and with respect to which the donee has not made a certification in accordance with paragraph (7)(D),

(ii) to or for the use of a private foundation (as defined in section 509(a)), other than a private foundation described in subsection (b)(1)(F),

(iii) of any patent, copyright (other than a copyright described in section 1221(a)(3) or 1231(b)(1)(C)), trademark, trade name, trade secret, know-how, software (other than software described in section 197(e)(3)(A)(i)), or similar property, or applications or registrations of such property, or

(iv) of any taxidermy property which is contributed by the person who prepared, stuffed, or mounted the property or by any person who paid or incurred the cost of such preparation, stuffing, or mounting,

the amount of gain which would have been long-term capital gain if the property contributed had been sold by the taxpayer at its fair market value (determined at the time of such contribution).

For purposes of applying this paragraph (other than in the case of gain to which section 617(d)(1), 1245(a), 1250(a), 1252(a), or 1254(a) applies), property which is property used in the trade or business (as defined in section 1231(b)) shall be treated as a capital asset. For purposes of applying this paragraph in the case of a charitable contribution of stock in an S corporation, rules similar to the rules of section 751 shall apply in determining whether gain on such stock would have been long-term capital gain if such stock were sold by the taxpayer.

(2) Allocation of basis

For purposes of paragraph (1), in the case of a charitable contribution of less than the taxpayer's entire interest in the property contributed, the taxpayer's adjusted basis in such property shall be allocated between the interest contributed and any interest not contributed in accordance with regulations prescribed by the Secretary.

(3) Special rule for certain contributions of inventory and other property

(A) Qualified contributions

For purposes of this paragraph, a qualified contribution shall mean a charitable contribution of property described in paragraph (1) or (2) of section 1221(a), by a corporation (other than a corporation which is an S corporation) to an organization which is described in section 501(c)(3) and is exempt under section 501(a) (other than a private foundation, as defined in section 509(a), which is not an operating foundation, as defined in section 4942(j)(3)), but only if—

(i) the use of the property by the donee is related to the purpose or function constituting the basis for its exemption under section 501 and the property is to be used by the donee solely for the care of the ill, the needy, or infants;

(ii) the property is not transferred by the donee in exchange for money, other property, or services;

(iii) the taxpayer receives from the donee a written statement representing that its use and disposition of the property will be in accordance with the provisions of clauses (i) and (ii); and

(iv) in the case where the property is subject to regulation under the Federal Food, Drug, and Cosmetic Act, as amended, such property must fully satisfy the applicable requirements of such Act and regulations promulgated thereunder on the date of transfer and for one hundred and eighty days prior thereto.

(B) Amount of reduction

The reduction under paragraph (1)(A) for any qualified contribution (as defined in subparagraph (A)) shall be no greater than the sum of—

(i) one-half of the amount computed under paragraph (1)(A) (computed without regard to this paragraph), and

(ii) the amount (if any) by which the charitable contribution deduction under this section for any qualified contribution (computed by taking into account the amount determined in clause (i), but without regard to this clause) exceeds twice the basis of such property.

(C) Special rule for contributions of food inventory

(i) General rule

In the case of a charitable contribution of food from any trade or business of the taxpayer, this paragraph shall be applied—

(I) without regard to whether the contribution is made by a C corporation, and

(II) only to food that is apparently wholesome food.

(ii) Limitation

The aggregate amount of such contributions for any taxable year which may be taken into account under this section shall not exceed—

(I) in the case of any taxpayer other than a C corporation, 15 percent of the taxpayer's aggregate net income for such taxable year from all trades or businesses from which such contributions were made for such year, computed without regard to this section, and

(II) in the case of a C corporation, 15 percent of taxable income (as defined in subsection (b)(2)(D)).

(iii) Rules related to limitation

(I) Carryover

If such aggregate amount exceeds the limitation imposed under clause (ii), such excess shall be treated (in a manner consistent with the rules of subsection (d)) as a charitable contribution described in clause (i) in each of the 5 succeeding taxable years in order of time.

(II) Coordination with overall corporate limitation

In the case of any charitable contribution which is allowable after the application of clause (ii)(II), subsection (b)(2)(A) shall not apply to such contribution, but the limitation imposed by such subsection shall be reduced (but not below zero) by the aggregate amount of such contributions. For purposes of subsection (b)(2)(B), such contributions shall be treated as allowable under subsection (b)(2)(A).

(iv) Determination of basis for certain taxpayers

If a taxpayer—

(I) does not account for inventories under section 471, and

(II) is not required to capitalize indirect costs under section 263A,

the taxpayer may elect, solely for purposes of subparagraph (B), to treat the basis of any apparently wholesome food as being equal to 25 percent of the fair market value of such food.

(v) Determination of fair market value

In the case of any such contribution of apparently wholesome food which cannot or will not be sold solely by reason of internal standards of the taxpayer, lack of market, or similar circumstances, or by reason of being produced by the taxpayer exclusively for the purposes of transferring the food to an organization described in subparagraph (A), the fair market value of such contribution shall be determined—

(I) without regard to such internal standards, such lack of market, such circumstances, or such exclusive purpose, and

(II) by taking into account the price at which the same or substantially the same food items (as to both type and quality) are sold by the taxpayer at the time of the contribution (or, if not so sold at such time, in the recent past).

(vi) Apparently wholesome food

For purposes of this subparagraph, the term ''apparently wholesome food'' has the meaning given to such term by section 22(b)(2) of the Bill Emerson Good Samaritan Food Donation Act (42 U.S.C. 1791(b)(2)), as in effect on the date of the enactment of this subparagraph.

(D) Special rule for contributions of book inventory to public schools

(i) Contributions of book inventory

In determining whether a qualified book contribution is a qualified contribution, subparagraph (A) shall be applied without regard to whether the donee is an organization described in the matter preceding clause (i) of subparagraph (A).

(ii) Qualified book contribution

For purposes of this paragraph, the term ''qualified book contribution'' means a charitable contribution of books to a public school which is an educational organization described in subsection (b)(1)(A)(ii) and which provides elementary education or secondary education (kindergarten through grade 12).

(iii) Certification by donee

Subparagraph (A) shall not apply to any contribution of books unless (in addition to the certifications required by subparagraph (A) (as modified by this subparagraph)), the donee certifies in writing that—

(I) the books are suitable, in terms of currency, content, and quantity, for use in the donee's educational programs, and

(II) the donee will use the books in its educational programs.

(iv) Termination

This subparagraph shall not apply to contributions made after December 31, 2011.

(E) This paragraph shall not apply to so much of the amount of the gain described in paragraph (1)(A) which would be long-term capital gain but for the application of sections 617, 1245, 1250, or 1252.

If the donor ceases to be treated as the owner of such an interest for purposes of applying section 671, at the time the donor ceases to be so treated, the donor shall for purposes of this chapter be considered as having received an amount of income equal to the amount of any deduction he received under this section for the contribution reduced by the dis-

Such amounts of income shall be discounted to the date of the contribution. The Secretary shall prescribe such regulations as may be necessary to carry out the purposes of this subparagraph.

For purposes of this subparagraph, a contribution by a taxpayer of the right to use property shall be treated as a contribution of less than the taxpayer's entire interest in such property.

(B) Exceptions

(2) Reduction in additional deductions to extent of initial deduction

With respect to any qualified intellectual property contribution, the deduction allowed under subsection (a) shall be increased under paragraph (1) only to the extent that the aggregate amount of such increases with respect to such contribution exceed the amount allowed as a deduction under subsection (a) with respect to such contribution determined without regard to this subsection.

11th	10
12th	10.

(B) Net income determined by donee

The net income taken into account under paragraph (3) shall not exceed the amount of such income reported under section 6050L(b)(1).

(C) Deduction limited to 12 taxable years

For purposes of this subsection, the term ''sanctioned whaling activities'' means subsistence bowhead whale hunting activities conducted pursuant to the management plan of the Alaska Eskimo Whaling Commission.

(4) Substantiation of expenses

The Secretary shall issue guidance requiring that the taxpayer substantiate the whaling expenses for which a deduction is claimed under this subsection, including by maintaining appropriate written records with respect to the time, place, date, amount, and nature of the expense, as well as the taxpayer's eligibility for such deduction, and that (to the extent provided by the Secretary) such substantiation be provided as part of the taxpayer's return of tax.

(i) the taxpayer, or

(B) Exceptions

The Secretary may, by regulation, provide for exceptions to subparagraph (A) in cases where all persons who hold an interest in the property make proportional contributions of an undivided portion of the entire interest held by such persons.

(2) Valuation of subsequent gifts

In the case of any additional contribution, the fair market value of such contribution shall be determined by using the lesser of—

(A) the fair market value of the property at the time of the initial fractional contribution, or

(B) the fair market value of the property at the time of the additional contribution.

(3) Recapture of deduction in certain cases; addition to tax

(A) Recapture

The Secretary shall provide for the recapture of the amount of any deduction allowed under this section (plus interest) with respect to any contribution of an undivided portion of a taxpayer's entire interest in tangible personal property—

(i) in any case in which the donor does not contribute all of the remaining interests in such property to the donee (or, if such donee is no longer in existence, to any person described in section 170(c)) on or before the earlier of—

(I) the date that is 10 years after the date of the initial fractional contribution, or

(II) the date of the death of the donor, and

(ii) in any case in which the donee has not, during the period beginning on the date of the initial fractional contribution and ending on the date described in clause (i)—

(I) had substantial physical possession of the property, and

(II) used the property in a use which is related to a purpose or function constituting the basis for the organizations' exemption under section 501.

§ 171. Amortizable bond premium

(a) General rule

In the case of any bond, as defined in subsection (d), the following rules shall apply to the amortizable bond premium (determined under subsection (b)) on the bond:

(1) Taxable bonds

In the case of a bond (other than a bond the interest on which is excludable from gross income), the amount of the amortizable bond premium for the taxable year shall be allowed as a deduction.

(2) Tax-exempt bonds

In the case of any bond the interest on which is excludable from gross income, no deduction shall be allowed for the amortizable bond premium for the taxable year.

(3) Cross reference

For adjustment to basis on account of amortizable bond premium, see section 1016(a)(5).

(b) Amortizable bond premium

(1) Amount of bond premium

For purposes of paragraph (2), the amount of bond premium, in the case of the holder of any bond, shall be determined—

(A) with reference to the amount of the basis (for determining loss on sale or exchange) of such bond,

(B)(i) with reference to the amount payable on maturity (or if it results in a smaller amortizable bond premium attributable to the period before the call date, with reference to the amount payable on the earlier call date), in the case of a bond described in subsection (a)(1), and

(ii) with reference to the amount payable on maturity or on an earlier call date, in the case of a bond described in subsection (a)(2).

(C) with adjustments proper to reflect unamortized bond premium, with respect to the bond, for the period before the date as of which subsection (a) becomes applicable with respect to the taxpayer with respect to such bond.

In no case shall the amount of bond premium on a convertible bond include any amount attributable to the conversion features of the bond.

(2) Amount amortizable

The amortizable bond premium of the taxable year shall be the amount of the bond premium attributable to such year. In the case of a bond to which paragraph (1)(B)(i) applies and which has a call date, the amount of bond premium attributable to the taxable year in which the bond is called shall include an amount equal to the excess of the amount of the adjusted basis (for determining loss on sale or exchange) of such bond as of the beginning of the taxable year over the amount received on redemption of the bond or (if greater) the amount payable on maturity.

(3) Method of determination

(A) In general

Except as provided in regulations prescribed by the Secretary, the determinations required under paragraphs (1) and (2) shall be made on the basis of the taxpayer's yield to maturity determined by—

(i) using the taxpayer's basis (for purposes of determining loss on sale or exchange) of the obligation, and

(ii) compounding at the close of each accrual period (as defined in section 1272(a)(5)).

(B) Special rule where earlier call date is used

For purposes of subparagraph (A), if the amount payable on an earlier call date is used under paragraph (1)(B)(i) in determining the amortizable bond premium attributable to the period before the earlier call date, such bond shall be treated as maturing on such date for the amount so payable and then reissued on such date for the amount so payable.

(4) Treatment of certain bonds acquired in exchange for other property

(A) In general

If—

(i) a bond is acquired by any person in exchange for other property, and

(ii) the basis of such bond is determined (in whole or in part) by reference to the basis of such other property,

for purposes of applying this subsection to such bond while held by such person, the basis of such bond shall not exceed its fair market value immediately after the exchange. A similar rule shall apply in the case of such bond while held by any other person whose basis is determined (in whole or in part) by reference to the basis in the hands of the person referred to in clause (i).

(B) Special rule where bond exchanged in reorganization

Subparagraph (A) shall not apply to an exchange by the taxpayer of a bond for another bond if such exchange is a part of a reorganization (as defined in section 368). If any portion of the basis of the taxpayer in a bond transferred in such an exchange is not taken into account in determining bond premium by reason of this paragraph, such portion shall not be taken into account in determining the amount of bond premium on any bond received in the exchange.

(c) Election as to taxable bonds

(1) Eligibility to elect; bonds with respect to which election permitted

In the case of bonds the interest on which is not excludible from gross income, this section shall apply only if the taxpayer has so elected.

(2) Manner and effect of election

The election authorized under this subsection shall be made in accordance with such regulations as the Secretary shall prescribe. If such election is made with respect to any bond (described in paragraph (1)) of the taxpayer, it shall also apply to all such bonds held by the taxpayer at the beginning of the first taxable year to which the election applies and to all such bonds thereafter acquired by him and shall be binding for all subsequent taxable years with respect to all such bonds of the taxpayer, unless, on application by the taxpayer, the Secretary permits him, subject to such conditions as the Secretary deems necessary, to revoke such election. In the case of bonds held by a common trust fund, as defined in section 584(a), the election authorized under this subsection shall be exercisable with respect to such bonds only by the common trust fund. In case of bonds held by an estate or trust, the election authorized under this subsection shall be exercisable with respect to such bonds only by the fiduciary.

(d) Bond defined

For purposes of this section, the term ''bond'' means any bond, debenture, note, or certificate or other evidence of indebtedness, but does not include any such obligation which constitutes stock in trade of the taxpayer or any such obligation of a kind which would properly be included in the inventory of the taxpayer if on hand at the close of the taxable year, or any such obligation held by the taxpayer primarily for sale to customers in the ordinary course of his trade or business.

(e) Treatment as offset to interest payments

Except as provided in regulations, in the case of any taxable bond—

(1) the amount of any bond premium shall be allocated among the interest payments on the bond under rules similar to the rules of subsection (b)(3), and

(2) in lieu of any deduction under subsection (a), the amount of any premium so allocated to any interest payment shall be applied against (and operate to reduce) the amount of such interest payment.

For purposes of the preceding sentence, the term ''taxable bond'' means any bond the interest of which is not excludable from gross income.

(f) Dealers in tax-exempt securities

For special rules applicable, in the case of dealers in securities, with respect to premium attributable to certain wholly tax-exempt securities, see section 75.

Any taxpayer entitled to a carryback period under paragraph (1) may elect to relinquish the entire carryback period with respect to a net operating loss for any taxable year. § 179D. Energy efficient commercial buildings deduction

(a) In general

There shall be allowed as a deduction an amount equal to the cost of energy efficient commercial building property placed in service during the taxable year.

(b) Maximum amount of deduction

The deduction under subsection (a) with respect to any building for any taxable year shall not exceed the excess (if any) of—

(1) the product of—

(A) $1.80, and

(B) the square footage of the building, over

(2) the aggregate amount of the deductions under subsection (a) with respect to the building for all prior taxable years.

(c) Definitions

For purposes of this section—

(1) Energy efficient commercial building property

The term ''energy efficient commercial building property'' means property—

(A) with respect to which depreciation (or amortization in lieu of depreciation) is allowable,

(B) which is installed on or in any building which is—

(i) located in the United States, and

(ii) within the scope of Standard 90.1–2007,

(C) which is installed as part of—

(i) the interior lighting systems,

(ii) the heating, cooling, ventilation, and hot water systems, or

(iii) the building envelope, and

(D) which is certified in accordance with subsection (d)(6) as being installed as part of a plan designed to reduce the total annual energy and power costs with respect to the interior lighting systems, heating, cooling, ventilation, and hot water systems of the building by 50 percent or more in comparison to a reference building which meets the minimum requirements of Standard 90.1–2007 using methods of calculation under subsection (d)(2).

(2) Standard 90.1–2007

The term ''Standard 90.1–2007'' means Standard 90.1–2007 of the American Society of Heating, Refrigerating, and Air Conditioning Engineers and the Illuminating Engineering Society of North America (as in effect on the day before the date of the adoption of Standard 90.1–2010 of such Societies).

(d) Special rules

(1) Partial allowance

(A) In general

Except as provided in subsection (f), if—

(i) the requirement of subsection (c)(1)(D) is not met, but

(ii) there is a certification in accordance with paragraph (6) that any system referred to in subsection (c)(1)(C) satisfies the energy-savings targets established by the Secretary under subparagraph (B) with respect to such system,

then the requirement of subsection (c)(1)(D) shall be treated as met with respect to such system, and the deduction under subsection (a) shall be allowed with respect to energy efficient commercial building property installed as part of such system and as part of a plan to meet such targets, except that subsection (b) shall be applied to such property by substituting ''$.60'' for ''$1.80''.

(B) Regulations

The Secretary, after consultation with the Secretary of Energy, shall establish a target for each system described in subsection (c)(1)(C) which, if such targets were met for all such systems, the building[1] would meet the requirements of subsection (c)(1)(D).

(2) Methods of calculation

The Secretary, after consultation with the Secretary of Energy, shall promulgate regulations which describe in detail methods for calculating and verifying energy and power consumption and cost, based on the provisions of the 2005 California Nonresidential Alternative Calculation Method Approval Manual.

(3) Computer software

(A) In general

Any calculation under paragraph (2) shall be prepared by qualified computer software.

[1] So in original.

(B) Qualified computer software

For purposes of this paragraph, the term ''qualified computer software'' means software—

(i) for which the software designer has certified that the software meets all procedures and detailed methods for calculating energy and power consumption and costs as required by the Secretary,

(ii) which provides such forms as required to be filed by the Secretary in connection with energy efficiency of property and the deduction allowed under this section, and

(iii) which provides a notice form which documents the energy efficiency features of the building and its projected annual energy costs.

(4) Allocation of deduction for public property

In the case of energy efficient commercial building property installed on or in property owned by a Federal, State, or local government or a political subdivision thereof, the Secretary shall promulgate a regulation to allow the allocation of the deduction to the person primarily responsible for designing the property in lieu of the owner of such property. Such person shall be treated as the taxpayer for purposes of this section.

(5) Notice to owner

Each certification required under this section shall include an explanation to the building owner regarding the energy efficiency features of the building and its projected annual energy costs as provided in the notice under paragraph (3)(B)(iii).

(6) Certification

(A) In general

The Secretary shall prescribe the manner and method for the making of certifications under this section.

(B) Procedures

The Secretary shall include as part of the certification process procedures for inspection and testing by qualified individuals described in subparagraph (C) to ensure compliance of buildings with energy-savings plans and targets. Such procedures shall be comparable, given the difference between commercial and residential buildings, to the requirements in the Mortgage Industry National Accreditation Procedures for Home Energy Rating Systems.

(C) Qualified individuals

Individuals qualified to determine compliance shall be only those individuals who are recognized by an organization certified by the Secretary for such purposes.

(e) Basis reduction

For purposes of this subtitle, if a deduction is allowed under this section with respect to any energy efficient commercial building property, the basis of such property shall be reduced by the amount of the deduction so allowed.

(f) Interim rules for lighting systems

Until such time as the Secretary issues final regulations under subsection (d)(1)(B) with respect to property which is part of a lighting system—

(1) In general

The lighting system target under subsection (d)(1)(A)(ii) shall be a reduction in lighting power density of 25 percent (50 percent in the case of a warehouse) of the minimum requirements in Table 9.5.1 or Table 9.6.1 (not including additional interior lighting power allowances) of Standard 90.1–2007.

(2) Reduction in deduction if reduction less than 40 percent

(A) In general

If, with respect to the lighting system of any building other than a warehouse, the reduction in lighting power density of the lighting system is not at least 40 percent, only the applicable percentage of the amount of deduction otherwise allowable under this section with respect to such property shall be allowed.

(B) Applicable percentage

For purposes of subparagraph (A), the applicable percentage is the number of percentage points (not greater than 100) equal to the sum of—

(i) 50, and

(ii) the amount which bears the same ratio to 50 as the excess of the reduction of lighting power density of the lighting system over 25 percentage points bears to 15.

(C) Exceptions

This subsection shall not apply to any system—

(i) the controls and circuiting of which do not comply fully with the mandatory and prescriptive requirements of Standard 90.1–2007 and which do not include provision for bilevel switching in all occupancies except hotel and motel guest rooms, store rooms, restrooms, and public lobbies, or

(ii) which does not meet the minimum requirements for calculated lighting levels as set forth in the Illuminating Engineering Society of North America Lighting Handbook, Performance and Application, Ninth Edition, 2000.

(e) Special rule

(1) In general

A determination as to whether the presumption provided by subsection (d) applies with respect to any activity shall, if the taxpayer so elects, not be made before the close of the fourth taxable year (sixth taxable year, in the case of an activity described in the last sentence of such subsection) following the taxable year in which the taxpayer first engages in the activity.

(2) Initial period

If the taxpayer makes an election under paragraph (1), the presumption provided by subsection (d) shall apply to each taxable year in the 5-taxable year (or 7-taxable year) period beginning with the taxable year in which the taxpayer first engages in the activity, if the gross income derived from the activity for 3 (or 2 if applicable) or more of the taxable years in such period exceeds the deductions attributable to the activity (determined without regard to whether or not the activity is engaged in for profit).

(3) Election

An election under paragraph (1) shall be made at such time and manner, and subject to such terms and conditions, as the Secretary may prescribe.

(4) Time for assessing deficiency attributable to activity

If a taxpayer makes an election under paragraph (1) with respect to an activity, the statutory period for the assessment of any deficiency attributable to such activity shall not expire before the expiration of 2 years after the date prescribed by law (determined without extensions) for filing the return of tax under chapter 1 for the last taxable year in the period of 5 taxable years (or 7 taxable years) to which the election relates. Such deficiency may be assessed notwithstanding the provisions of any law or rule of law which would otherwise prevent such an assessment.

For purposes of the preceding sentence, the term ''controlled group'' has the meaning assigned to it by section 1563(a), except that the phrase ''more than 50 percent'' shall be substituted for the phrase ''at least 80 percent'' each place it appears in section 1563(a)(1).

Any amount so apportioned to a beneficiary shall be taken into account as expenditures incurred by such beneficiary in applying this section to such beneficiary.
