

AGREED STATEMENTS BY THE DIPLOMATIC CONFERENCE REGARDING THE
GENEVA ACT AND THE REGULATIONS UNDER THE GENEVA ACT

1. When adopting Article 12(4), Article 14(2)(b) and Rule 18(4), the Diplomatic Conference understood that a withdrawal of refusal by an Office that has communicated a notification of refusal may take the form of a statement to the effect that the Office concerned has decided to accept the effects of the international registration in respect of the industrial designs, or some of the industrial designs, to which the notification of refusal related. It was also understood that an Office may, within the period allowed for communicating a notification of refusal, send a statement to the effect that it has decided to accept the effects of the international registration even where it has not communicated such a notification of refusal.
2. When adopting Article 10, the Diplomatic Conference understood that nothing in this Article precludes access to the international application or the international registration by the applicant or the holder or a person having the consent of the applicant or the holder.
